PRICE FIVE CENTS

MINISTERS IN LONDON FOR VITAL PARLEY

Acheson, Bevin and Schuman Aim to Keep Cold War From Exploding Into Actual Shooting

PROPOSAL BY FRANCE

London, May 11—(P)—The big three foreign ministers meet today to draft strategy they hope will keep the cold war from exploding into a shooting war.

With an appeal from U. S. Secretary of State Dean Acheson to sacrifice some national interest to avoid war, the ministers seek agreement on plans to wrest initiative in the east-west conflict from the Russians.

Almost three weeks of intensive preparation by ambassadors and experts preceded the meeting of Acheson, British Foreign Secretary Ernest Bevin and French Foreign Minister Robert Schuman. While those talks were variously described as "useful" and "satisfactory" the major hope of success comes from the dramatically sudden French proposal to pool coal and steel resources with Germany and any other nations that may wish to join the combine.

This plan could settle the number one problem of western strategy by forging a strong link between Germany and the west.

It drew from Acheson a statement that the "significance and far reaching intent" of the proposal had his sympathy and approval. But he withheld judgment on the plan itself pending a study of details.

In a speech to the Pilgrims' Society last night Acheson called for the return of Germany to "the family of western civilization."

"He said also that the United States and western Europe must sacrifice some 'purely national interests' to avoid a new war. 'The Germans themselves' he asserted, 'must be prepared to accept their full measure of responsibilities and the full measure of what may appear to them as risks' as they return to the western community."

Despite Acheson's statement and the equally warm reception by west German Chancellor Konrad Adenauer there may be a road block ahead.

The British are moving cautiously in assessing the plan. As one of the occupation powers, their approval would be necessary.

There were indications today they might ask for the appointment of a commission to study the proposal. One British diplomatic source said Acheson and Foreign Secretary Bevin had exchanged views on the proposal yesterday without discussing it in substance.

Schuman is expected to press for formal endorsement of his plan by the big three.

STATE COLLEGE PREXY REMAINING NEUTRAL

Harrisburg, May 11—(P)—Dr. Milton S. Eisenhower, newly appointed president of the Pennsylvania State College, was reported today as neutral in Pennsylvania's Republican primary fight.

Headquarters of a GOP ticket led by Gov. James H. Duff for U. S. Senator and John S. Fine for governor said it received a statement from Eisenhower declaring: "I have taken no part and will take no part in political affairs in Pennsylvania. Any statement or advertisement to the contrary is incorrect."

Duff-Fine headquarters said the Eisenhower statement was authorized after publication of an advertisement signed listing Eisenhower as one of "educators supporting Jay Cooke."

CONGRESSMAN ILL

Pittsburgh, May 11—(P)—Rep. Harry Davenport (D-Pa.) is confined to his home with pneumonia today. The congressman is not expected to resume his duties for at least another week.

QUICKIES By Ken Reynolds

"Stop complaining, the Times-Mirror Want Ad said those tools were accurate — and you've hit the same finger twice!"

Alleged Confession From Crew Member of Plane Lost In The Baltic Expected From Moscow

Washington, May 11—(P)—The United States won't be surprised if Moscow eventually produces an alleged confession from a crew member of the American navy plane lost in the Baltic April 8.

A government official in a position to know said today on the basis of what he asserted to be American "knowledge" that Russia made prompt efforts to salvage remnants of the plane and to pick up its 10 occupants, dead or alive.

He said also that the U. S. "knows" the following facts, entirely apart from diplomatic interpretations of Moscow's version of the incident.

(1) Four Russian fighters opened fire from the rear of the slower moving American patrol plane;

(2) The attack took place over the Baltic Sea "more than 30 miles" from the coast of Russian occupied territory;

(3) The plane was on fire before it hit the water.

This official said the government would not reveal how it got this information because it would give vital information to Russia. He said he did not know whether the Russians had any success in finding the plane or its occupants.

He agreed with navy officers who said yesterday that the chance of survival for any of the crew members was "very remote".

He recalled, however, that Communist authorities customarily write confessions from political prisoners and foreigners involved in incidents.

American searchers, assisted by the Scandinavians, have found no trace of the navy crewmen in the Baltic and have picked up only secondary pieces of equipment of types the plane is known to have carried.

At a showdown session of the full committee today, Lesinski rescinded a previous order abolishing Jacobs' subcommittee.

But he nipped the proposed inquiry in the bud by immediately revoking Jacobs' authority to issue subpoenas independently as a subcommittee chairman.

Jacobs did not challenge Lesinski's right to take this action. Under a house-approved resolution of February, 1949, sole subpoena power was lodged with the labor committee chairman.

Jacobs had wanted to question Lewis and others about the accusations of an Illinois miner that the U. M. W. chief had engaged in undemocratic union practices.

SAYS ELECTION MAY HALT STREAM PROJECT

Huntingdon, May 11—(P)—George I. Phillips, Jr., treasurer of the Juniata Valley Restoration Association, said today election of Jay Cooke as governor may leave "a way open for inaction" on the commonwealth's clean streams program.

"Your recent statements serve to chill our enthusiasm and to make us fear that so far as stream clearance is concerned you will make your administration another do-nothing administration like that of Arthur James," said Phillips in a letter to the candidate for GOP gubernatorial nomination.

The letter was released by Duff-Fine headquarters in behalf of the candidacies of Gov. James H. Duff for U. S. senator and John S. Fine for governor.

Phillips quoted Cooke as saying that the clean streams program "should be listed with other public needs and given its proper place on a priority list so that it will receive rightful attention whenever Mr. Taxpayer can afford such a program."

Public Power Development Program Discussed By Truman at Coulee Dam

Grand Coulee Dam, Wash., May 11—(P)—President Truman declared today his determination to develop low-cost public power on all the country's great rivers and fight against its use "for private profit."

"We have embarked, all over the country, on the task of fully developing our resources for all the people," he said.

"And we shall have to continue to overcome the opposition of those who do not understand the greatness of our goal, or who fear the impairment of their selfish interests."

"We will meet opposition from the private power groups. Many of them—there are honorable exceptions, of course—do not want the energy of our rivers put to use as power and sold to the people at cost."

The president spoke out sharply against the opposition of private power companies to rural electrification and other local public agencies constructing transmission lines for the delivery and sale of power purchased at dam sites at cost. He said their opposition "is wrong."

The president laid down his public power development program in a prepared address for dedication ceremonies at the site of Grand Coulee Dam, where the last turbine has been cut in.

He predicted ultimate congressional approval of the proposed Columbia Valley Administration to take over the operation of Grand Coulee and other power and reclamation projects in the valley.

Railroad Strike Threatens Sharp Cut in Production in Many Industries of State

All Traffic Halts On Both P. R. R. and N. Y. C.

IDLE EQUIPMENT: The above picture, taken today by a staff photographer in the Warren yards of the Pennsylvania railroad, showing locomotives stored on a siding, is typical of scenes to be found in most cities throughout the country, as a result of the strike of firemen on four key systems that carry more than a third of the nation's rail passengers and a fifth of the rail freight.

The widespread strike of railroad firemen yesterday morning at 6 a. m. was rapidly developing today into a "king-sized" headache for local Pennsylvania and New York Central railroad officials and employees, and local industries and business firms.

All traffic has stopped on both the P. R. R. and the N. Y. C. lines through here.

The last Pennsy train through Warren was a freight at 1 p. m. yesterday, headed for Oil City. Trains which were started before 6 a. m. yesterday continued to the terminal, despite the strike deadline. The last passenger train was No. 581, westbound, yesterday morning.

New York Central's last train to operate here was Freight Train No. 11, southbound for Titusville, at 11:55 p. m., on Tuesday, May 9. Pennsy employees, however, still working, technically at least, today, but furloughs will go into effect tomorrow if there is no change in the strike picture by midnight tonight.

Local officials said all Pennsy employees here would be laid off except the agent, the gang foreman at the enginehouse, and four lead machinists, also at the enginehouse.

The jobs of all those laid off, except conductors and brakemen who are not on strike, will be abolished, railroad officials said. These jobs include those of car repairmen, yard clerks, the yard force, trackmen, block operators, freight and passenger clerks.

The strike-caused layoff is expected to delay start of much-needed repairs to the Pennsylvania avenue, west, and Fourth street crossings. The P. R. R. has scheduled this work for the next several weeks and materials were already being moved in for the work.

New York Central officials reported all employees in the Warren area were laid off yesterday morning with the exception of the agent and the car inspector, and that the agent will be on duty alone tomorrow.

Those laid off by N. Y. C. included an engineer, a fireman who is on strike, a conductor, two brakemen and three members of the office, whose jobs will, the railroad said, be abolished.

Both railroads reported they had made all freight deliveries possible, and that no new part carload or carload shipments will be accepted until after the strike ends. Some firms are loading cars at sidings, it was reported, but the railroad will not accept bills of lading until the situation clears.

The local office of the Railway Express also reported it is accepting no new shipments, and that a layoff of the agency's six-man crew probably will start tomorrow.

The Warren post office has made arrangements to handle its mail and parcel post shipments by truck to Jamestown to connect there with the Erie Railroad which has not been affected, as yet, by the firemen's strike.

Mail trucks also are making two round trips daily through Warren between Erie and Ridgway, duplicating the mail service previously offered by the trains. There will be no service of any kind available at the local post office on Sundays.

If the strike lasts for any length (Turn to Page Fifteen)

STUDENTS STRIKE

Striking Olean High School students made plans last night to continue their demonstration against the ousting of Head Football Coach Ted Mastragiacomo today.

The 500 teen-agers who marched on the high school building and paraded through the business section yesterday afternoon raised a loud approving ovation when their apparent leader, blonde Lucille Chase, a senior, proclaimed.

Attendants said there were no patients in the damaged building because it had been closed for repairs following the March blaze.

Countless Thousands May Be Made Idle as Result of Halt in the Transportation Systems

Washington, May 11—(P)—A spokesman for the nation's railroads today urged passage of a bill banning rail strikes, saying they pose a greater threat to the welfare of the country than walkouts in any other industry.

The appeal was delivered on behalf of the Association of American Railroads by Daniel P. Loomis, chairman of the Association of Western Railroads, in testimony prepared for a senate labor subcommittee.

As the senate group continued its hearings on a bill calling for compulsory arbitration of rail labor disputes, 18,000 firemen stayed off the job on four major lines, bringing predictions of economic paralysis in affected areas.

For 10 years, the witness declared, the railway labor act has proved unable to cope with mounting disputes. He blamed the rail unions, saying they have consistently refused to accept the recommendations of presidential fact finding boards appointed under the act.

Chicago, May 11—(P)—A strike by railroad firemen against four major rail systems today threatened sharp cuts in many segments of the nation's industries.

Prospects of an early settlement in the long dispute appeared dim.

The crippling walkout, which started yesterday, directly involved only 18,000 firemen. But thousands of other rail workers—maybe as many as 200,000—may be idle if there is not a quick settlement. Countless other thousands are expected to be made idle by a long strike.

Some industries felt the impact of the firemen's work stoppage immediately and started curtailing operations. Some coal mines were among the first to feel the effect of the strike called by the Brotherhood of Locomotive Firemen and Enginemen.

A third of the country's rail passengers and a fifth of the rail freight movement was disrupted. The tieup caused cancellation of service on at least five other lines. Bus and airlines reported a big increase in business.

The union claimed the strike was "completely effective." But there were reports of trains being operated on some of the struck lines. The president of one struck carrier, the Southern Railway System, said "we are running an increasing number of freight and passenger trains."

The union struck to enforce demands for a second fireman on multiple unit diesel locomotives and on small switch diesels now operated by a single engineer. A fireman and one engineer now operate the big diesel locomotives.

Federal mediators remained in Chicago—apparently at the request of the White House—but no further sessions with union or carrier officials were scheduled. The union said it was ready to offer "major concessions" in its demands but the carrier reportedly were cool to reopening peace talks on the proposal.

The mediators ended their attempts at settlement yesterday several hours after the strike had started, reporting the dispute as deadlocked. At that time, pickets had been placed along the strike-affected lines—the western sections of the Pennsylvania and New York Central systems and the entire Santa Fe and Southern Systems.

In Detroit, the nation's automotive industry appeared facing (Turn to Page Fifteen)

Child of Former Warren Residents Is Accidentally Killed at Pittsburgh

Word was received in Warren early last evening that Robin Capell, five year old son of Mr. and Mrs. Robert G. Capell, 410 Olympia road, Chatham Village, Pittsburgh, was instantly killed at 6:10 p. m., when the tricycle he was riding collided with a truck in an auto compound near his home.

The child was the grandson of Mrs. A. H. Yerg, 318 Liberty street, Warren, and a nephew of Dr. A. Follmer Yerg, this city. His mother, Elizabeth Yerg, The Capells have one other child, Margaret, aged eight years.

According to police who investigated the accident, the lad was riding his trike on a side street, off Olympia road, just before he crashed into the side of a moving Armour Company meat truck.

Force of the crash knocked him from the bike and threw him beneath the vehicle's right rear wheels. A physician who lived near by was summoned and pronounced him dead of a crushed skull.

Driver of the truck, Fred Baker, of Millvale, told police he did not see the child but stopped his truck when he heard a sharp thud against its side. Headlight officers took the bike to headquarters and Baker was turned over to deputy coroners to arrange bond. He will be released to await a formal inquest, deputies said.

Removal of the child's body was made to the Lutz Funeral Home here during the day, but arrangements for services in his memory have not been completed.

Major Campaign Developments

By The Associated Press

A dispute over Pennsylvania's finances was renewed today as the state's primary campaign neared a close.

Major developments included: Gov. James H. Duff again denied again at Harrisburg rally there would be no deficit at the end of his administration, except possibly in the department of assistance.

"On relief if there should be a deficit it will not be as large," Duff said, as that left by the previous Martin administration.

Auditor General Weldon B. Heyburn, campaign manager for Jay Cooke, said the state faces a deficit of \$22,490,236 at the end of the 1951 biennium.

Dr. Edward B. Logan, administration budget secretary, promptly denied Heyburn's statement. Both Heyburn and Dr. Logan presented figures to support their conflicting statements.

Rep. John C. Kunkel, campaigning at Norristown asked for the support of the state's women voters, declaring "women are more interested than men in having competent and honest government" because they are thinking of the future of their children.

Jay Cooke at Pittsburgh charged Duff with "openly attempting to succeed himself," by boosting John S. Fine for governor.

At the same time Cooke said a "great Republican whose support I welcome is my very good friend, former Senator Joseph R. Grundy who has given a lifetime of energy and devotion to our party in this commonwealth."

Fine, accompanying Duff at a Harrisburg rally, said Cooke and Kunkel, together with Grundy, are "men of millions against millions of men."

Judge Charles Scott Williams, a third GOP gubernatorial aspirant, asked in a statement at Williamsport what Gov. and Mrs. Duff wanted with \$18,000 worth of diamonds. He said this was what they paid for chinaware at the governor's mansion.

OF INTEREST ONLY TO THE DEMOCRATIC VOTERS OF WARREN COUNTY

What a prominent member of the Party has to say about the campaign for member of the State Committee

I have followed with great interest the current campaign for Democratic State Committeeman.

The first thing that struck me is that in all the history of the Democratic Party there is no precedent for the County Committee to "take sides" for or against a party candidate in the primaries.

What are the hidden forces behind the County Committee's promotion of Mel Anderson's candidacy to the exclusion of another candidate?

What right has the present Warren County Democratic Committee to take sides and use its resources and funds in promoting the cause of any one candidate against another? For the county committee to do so is high-handed, unscrupulous, and unworthy of the name Democrat.

Let the best, the most worthy, and most capable candidate win on his own resources, but in the primary let the County Committee and the County Committee Members as an organization KEEP HANDS OFF.

Hitler won his elections by usurping the control of government through the organized Nazi Party, which went against the will of the majority. Mussolini did likewise with the Fascist Party.

Let's not have the present Warren County Democratic Committee use Nazi and Fascist tactics in an attempt to put over an unpopular candidate.

MOTORISTS ARRESTED

Two more local motorists were arrested by the city traffic patrol yesterday, both for failing to stop at stop signs.

BOY SCOUT BENEFIT

Boy Scouts of Troop 32 in Clarion are continuing their drive to raise funds for the jamboree trip by holding a benefit bake sale at 10 a. m. Saturday in Meddock's store at that place.

GOING TO JAMESTOWN

All young people planning to go by bus to Jamestown for the Warren Night exchange party Friday evening, are asked to meet at the high school at 7:15 as the bus will be leaving at 7:30 o'clock.

STREET ROWS

Police were called to Second and Pennsylvania avenue, and on the South Side, about 10:45 o'clock last evening to investigate a couple of street battles. Peace and quiet was restored in each case.

LOCKED OUT

A Fifth avenue resident, locked out of her house at an early hour this morning, enlisted aid of city police to get in. Police gained entry through a side window and unlocked the door of the home.

DRAGON AT BINDERS

The 1850 issue of the Warren High School Dragon is in the hands of the binders in Pittsburgh and it is the hope of the staff that the publication will be out before the end of the school term.

MAKES DONATION

Local 543 AF of L, of the United Refinery Company, voted unanimously at its meeting last night to give a check for \$25 to the Community Youth Canteen Fund. The donation was turned over to the canteen committee this morning.

GIVING ADDRESS

Rev. and Mrs. C. W. Baldwin leave this evening for the Smoky Mountains in Tennessee where Mr. Baldwin will give the baccalaureate address this Sunday in a Methodist Mission School near Gatlinburg. They expect to return by way of the Shenandoah Valley.

BABY ILL

Frederick Degen, Jr., of Leonardsville, N. Y., was admitted at Warren General Hospital yesterday where he is undergoing treatment for pneumonia. The baby was taken ill while his parents were on a trip through this section.

REPORT ON AIRPORTS

The Civil Aeronautics Administration yesterday listed places in the area where it believes airports should be built or improved. The listing does not mean work will be done there, for that will depend upon greatest need and the money Congress appropriates. On the list are Tionesta, Union City, Meadville, Franklin, Edinboro, Conneautville, Warren. The Tionesta plan calls for a runway of 1,800 to 2,700 feet.

New Year's Eve and New Year's Day together are known as the "daft days" in Scotland.

Two Are Killed In An Auto Accident Near Dunkirk, N. Y.

Dunkirk, May 11—Two men are dead and a third injured as a result of a multiple pile-up in Route 5 near the intersection of Poplar Lane Road, about four miles west of here shortly before 10 o'clock last night.

The dead, as listed at Brooks Memorial Hospital, are: Robert Edward Root, 28, of 882 Michigan Avenue, Buffalo. Taken to Brooks Memorial Hospital, he was declared dead on arrival with a compound skull fracture, multiple rib fractures and severe body lacerations.

James Ward, 54, of 115 West Fourth street, Dunkirk, also dead on arrival, with a fracture at the base of the skull, severe contusions and lacerations of the brain. Sheriff's deputies, who investigated the smash-up, said Root was headed east in a tractor-trailer unit while Anderson was driving west in a similar vehicle.

As the two heavy trucks approached each other in Route 5, an auto slowed, apparently to turn off the main highway. Henderson following the auto, started to pass when the car swerved back into the highway, officers said.

Henderson, attempting to avoid a collision with the auto, swerved his truck sharply in an effort to circumvent the crash by driving off the road on the left. As he crossed the highway, however, his truck collided with Root's and was overturned beside the road.

Julius Weinberg, of 539 Washington Avenue, Dunkirk, said he happened upon the scene a few seconds after the crash. Weinberg halted his vehicle, set out flares and started slowing traffic with a flashlight.

A few moments later, he said, Ward, driving an auto, approached the scene. Apparently disregarding the signals, Weinberg said, Ward plowed into the rear of a third truck halted near the accident, demolishing his car.

Memorial Service Planned May 28th in Youngsville

Youngsville, May 11—Under the direction of the Youngsville Ministerial Association, a Sunday memorial service of general interest to the community is being planned for 2:30 p. m. May 28, in the Methodist church.
The service is designated as interdenominational, with an address by Rev. Fred Hunt; an anthem arrangement of The Lord's Prayer by the Saron Lutheran choir, and singing by the EUB Men's Chorus.
Friends of Willis Kay, well known Youngsville business man, will be sorry to learn that he is a patient in the Tampa, Fla., hospital following an operation last Saturday. A message received in Youngsville Monday, said that Mr. Kay was holding his own and seemed encouraging. Mr. and Mrs. Kay have been spending the winter in their pleasant home on Mohawk avenue, Tampa. Mr. Kay has not been very well for some time. His friends hope that he may return to Youngsville with improved health.

FOOD PRICE INDEX HITS NEW HIGH LEVEL

New York — (AP)—Wholesale food prices as measured in the Dun and Bradstreet index this week reached the highest level since last August.
The index advanced to 55.89 from 55.84 a week ago and was 3.7 per cent above the year-ago level of 55.68.
The figure this week was the same as that for the weeks ended Aug. 9 and 16 last year. The peak before that was 55.91 on Jan. 25, 1949. Highest previous level this year was 55.86 in mid-February.
The record high posted by the index since it was started 34 years ago was 73.36 on July 13, 1948.
Ideal temperature for long storage of potatoes is cool, not cold, or about 40 to 50 degrees Fahrenheit.

BUILDINGS FOR POLK

The General State Authority today called for bids on Wednesday, May 17, on the construction of three dwellings for physicians on the staff at the Polk State School, an institution for mental defectives. The construction of the new homes was requested by the Department of Welfare to help relieve a serious shortage of physicians at the institution which cares for approximately 3,000 mental defectives. The institution has been short-handed for some

For Your Graduation Fun... Wear "VARSITY-TOWN" Clothes

Why Varsity-Town?

It's America's grandest clothing for smartly dressed young men—not just another suit but packed with all the style features that are today's authentic University Fashions.

From Princeton to Kokomo High the "top" campus' men wear Varsity Town.

Wonderful gabardines, doeskins and shape-retaining worsteds in outstanding new colors and patterns -- typically Varsity Town.

Come in today -- it's not too early -- you'll get the best selection and you'll find them

time due to the inability to provide staff housing facilities. The new homes will be self-contained units each with three bedrooms. They have been designed by Thayer Brothers, New Castle architects.

FARM PRICE INDEX

Following a one-point gain in March, the index of prices received by Pennsylvania farmers for principal agriculture products declined two points during the month

ended April 15, according to Federal-State price surveys announced today by the State Department of Agriculture. There was an increase of one point in the index of prices farmers pay for food feed, labor and other supplies and services, which resulted in a drop of two cents in the purchasing power of the farmer's dollar, the survey revealed. Based on 1910-14 averages equaling 100, the index of prices received April 15 stood at 232 com-

pared with 234 on March 15 and 261 in April 1949. The index of prices farmers pay advanced from 250 to 251 for the month, three points under a year previous.

Bruising of animals carried by rail and truck caused a loss amounting to 50,000,000 pounds of meat, worth almost \$18,000,000, in 1947.

THE GENERAL STATE AUTHORITY 18th and Herr Streets, Harrisburg, Pennsylvania NOTICE TO CONTRACTORS

Bid Date—Wednesday, May 24, 1950
Time of Opening—1:00 O'clock P. M., Daylight Saving Time
12:00 O'clock Noon, Eastern Standard Time

The General State Authority will receive at the above office sealed proposals which will be publicly opened and read at above stated time for the following projects:

Project No. G.S.A. 514-2—Installation of two Elevators in Main Building.
Project No. G.S.A. 514-4—Addition to Cafeteria.

WARREN STATE HOSPITAL, WARREN, WARREN COUNTY, PENNSYLVANIA. Joseph G. Conrath, Consulting Engineer, 320 Peach Street, Erie, Pennsylvania.

The following Contracts are to be bid covering the above Projects:

	Bid	Plans
	Guaranty	Deposit
Contract No. G.S.A. 514-2 General Construction	\$3,000.00	\$5.00
Contract No. G.S.A. 514-4 Heating Construction	100.00	5.00
Contract No. G.S.A. 514-4 Electrical Construction	100.00	5.00
Contract No. G.S.A. 514-5 Elevator Construction	2,000.00	5.00

Each proposal must be accompanied by a bid bond, certified check, bank cashier's check or trust company treasurer's check as a bid guaranty payable to The General State Authority, in the amount designated above.

Plans, specifications, contract document forms, and proposal forms not exceeding two (2) complete sets may be secured by prospective bidders by applying to The General State Authority, Harrisburg, Pennsylvania, and depositing the amount stated above, which deposit will be refunded only upon the receipt of a bona fide bid, and return of the plans and specifications in good order within ten (10) days after the opening of bids, otherwise the deposit will be forfeited. Separate checks must be submitted for plans and specifications for each contract.

Plans and specifications may be reviewed free of charge at the offices of The General State Authority located at 18th and Herr Streets, Harrisburg, Pennsylvania.

The General State Authority reserves the right to reject any or all bids and to accept or reject any part of any bid.

(Signed) OSCAR N. LINDAHL
Oscar N. Lindahl, Executive Director
THE GENERAL STATE AUTHORITY

SPECIAL NOTE:
ALL checks for plans deposit and all Bid Bonds, Certified Checks, Bank Cashiers' Checks, Trust Company Treasurers' Checks for Bid Guaranties, MUST be made payable to THE GENERAL STATE AUTHORITY.
DATE: April 28, 1950.

AUTO STRIKE SETTLEMENT

The 100-day Chrysler strike was the second longest and costliest in the history of the motor industry. Only the 113-day General Motors' walkout of 1945-46 exceeded it.

Altogether this recent stoppage cost the Chrysler Corporation, its workers, dealers and suppliers (including their employees) an estimated \$1,383,720,880. The \$9,000 Chrysler hands lost a little less than \$1000 each in wages.

If one accepted the union's claim that contract benefits gained amounted to 10 cents per hour for each worker, it would take five years to make up the lost pay.

Any strike, of course, is economically wasteful. That's recognized on all sides. But the strike is nevertheless accepted as a legitimate labor weapon, a last resort, in dealing with management.

In other words, we Americans say that, regardless of its wastefulness, the strike must be allowed as labor's strongest protest against unsatisfactory working conditions.

Yet, because a strike is so costly, we the public are likely to be critical of any walkout which might have been averted or possibly shortened.

And, examining the causes and results of the Chrysler strike, one may reasonably question whether any real purpose was served by so long a walkout.

The major difference behind the strike was the United Automobile Workers' insistence that company-paid, \$100-a-month pensions—already agreed to by the company—be paid on a cents-per-hour basis. The firm argues that this wasn't necessary, that it could be trusted to set aside adequate sums for pension payments.

The union also wanted a big say in administering any pension fund, and this the company disputed.

In the final settlement, the pension was not placed on a cents-per-hour basis, but the company did agree to establish a trust fund into which money would be put for pension purposes. The union did not win the degree of control it asked over the fund, either.

The UAW did, however, gain certain other benefits, including half what it sought in hospital, surgical and life insurance coverage, elimination of some wage inequities, vacation pay adjustments, and a union dues checkoff.

But these issues were not the cause of the strike. The question how pensions were to be set up and administered was what touched off the walkout.

To the outsider concerned only with the public interest, it does not seem that the pension differences justified the colossal waste of a long strike.

The solution arrived at resembles the formula worked out at the Ford Motor Co. Yet in that case the crucial details of pension operation were worked out long after the company and the union had come to basic agreement peaceably.

The Chrysler settlement was the product of three weeks intensive bargaining. But why, especially with the Ford formula as a guide, did the bargainers have to wait nearly 80 days before they got down to serious negotiating?

Close observers of the affair point to the extreme bitterness on both sides. The public cannot control the emotions of union leaders and company spokesmen. But it can declare that bitterness which is allowed to prolong a major strike unnecessarily is a luxury neither union nor management can afford. The Chrysler walkout lasted about five times as long as it should have.

GOOD UNDERDOG

President Truman is off on his first big whistle-stop tour of the country since his famous campaign swings of 1948.

So that he might feel right at home, the public opinion pollsters ought to come out now with a handful of gloomy forecasts about his and his party's political future.

Indeed, Mr. Truman seems to respond so well to adversity that his party leaders couldn't be blamed if they tried to arrange for a few dire predictions.

One of the most closely watched primaries in the country will be held in Pennsylvania next Tuesday, when two different Republican factions seek support of the voters for their candidates. Democratic candidates for governor and statewide offices are unopposed, but have been making energetic campaigns never-the-less. Polling places will be open from eight o'clock in the morning until nine o'clock in the evening, (fast time). Factional contests in both major parties in the county are expected to result in unusually heavy voting for a primary election.

If the railroad strike spreads, as many are predicting, our President may be returning to Washington from his "grass roots" tour by bus!

Here And There

The comment in this column recently about the replica of the Liberty Bell scheduled to visit Warren around June 19th or 20th, in connection with the U. S. Savings Bond Independence Drive, provided the inspiration for the following interesting communication from one of our consistent readers and frequent contributors:

Friend Ed:
Again your column tonight takes memory back to years ago and a little farther this time than "Today's" magazine.

I saw the pictures of the replicas of the Liberty bell that are being prepared for exhibition in this country soon and it reminds me of the time the original went through, not only Oil City but through my home town of Emlenton.

However, it was not on a tour as you state, but was en route to the "Columbian Exposition" in Chicago. The year was 1892 and was the 400th anniversary of the landing of Christopher Columbus in America and there are likely many of the Columbian half dollars yet in existence that were coined at that time.

Anyway, when the original Lib-

erty bell went through Emlenton, school was let out and all us kids went down to the depot to see the bell.

It was mounted on a big flat car and there were four big old time policemen on each corner of that car—they were all big fellows like Jerry Parks of our own police force, but in a little town like Emlenton that didn't have even one policeman they looked mighty important to us kids.

The train remained there for some time and some hearty individual boosted a number of us kids up on the car and I happened to be one of them, and we were all allowed to climb up on the supports and pat the Liberty bell.

The cops got a great kick out of it and smiled happily at us kids and handed us down out of the car—just like I imagine Jerry would do today, under similar circumstances.

We had a big celebration at school that year—on Columbus Day—and the largest American flag that was ever seen in Emlenton at that time was erected on a new flag pole in front of the school building, after it had been paraded all round town with all the school

children surrounding it and holding it out flat.

I was ten years old then and in a year or so more I was busy sticking type in a "printer's stick"—I think you remember what those were—and I hung onto the stool with bare feet.

—C. M.

It will surprise many to learn that the first aid dispensary at the Warren generating plant of the Pennsylvania Electric Company at Starbuck, is considered one of the best equipped and finest in the entire system. In the first place, it was interesting to learn Tuesday night, when 25 employees received awards for completing the American Red Cross First Aid course, that the dispensary was installed at a cost of about \$10,000, and was included in the original blueprints for the huge plant. We were told that the dispensary may be compared to any well equipped doctor's office, and the reason for this is that if and when a physician is summoned to the plant he will find everything he may need for an average emergency case—even to blood plasma.

This And That: Family night was observed by the Columbus community last evening in the community room of the church. The recently reorganized Boy Scout Troop received its charter, new scouts were inducted and adults working with the scouts

were introduced. Twenty-five boys have been registered in the troop. . . . Chuck McLean's Lynchburg Cards are off to a good start in the Piedmont League and tabbed a strong contender for the flag. . . . A large number of fans from Warren and vicinity are planning to see the double header at Cleveland Sunday, May 21, between the Indians and the Yanks. . . . New items on the dietary agenda are dandelion greens, sassafras tea and new onions, with rhubarb coming along fast. . . . Major coffee roasting-concerns are announcing reductions in prices, resulting in cuts averaging two cents a pound on some vacuum-packed brands. . . . The Territorial Staff band of the Salvation Army from the Eastern Territorial headquarters in New York City, will present a musical festival at the Kane High School Sunday at 2:30 o'clock, which will be heard by a number of Army workers from Warren.

This Time The Anti-Trust Lawyers Won A Case Against A&P

As almost everyone now knows, the anti-trust lawyers in Washington have brought a civil suit to destroy A&P.

They ask the courts to order the dissolution of this company.

They say that this suit is based on the fact that they won a suit against us at Danville, Illinois, in 1946.

They did. In that case, Federal Judge Walter C. Lindley made a decision against A&P.

Immediately thereafter, in a letter explaining his decision, Judge Lindley wrote:

***"I have not condemned the A&P system.
I have not made a finding which could
be the basis for a suit of dissolution."***

So, now we have the anti-trust lawyers saying that their suit to dissolve A&P is based on Judge Lindley's decision; while Judge Lindley himself says his decision could not be the basis for a suit of dissolution.

In previous ads we told you about the cases against A&P which the anti-trust lawyers lost. We promised to tell you about this case they won. Here is the story of the Danville case.

What Judge Lindley Objected To

At Danville, the anti-trust lawyers made all of the charges which they are again making against A&P today. They were substantially the same charges they had made and dropped at Dallas, Texas, after four federal judges had objected to some of them as "inflammatory." In his decision, Judge Lindley was critical of some of our activities. He threw some of the charges out of court. He did not make any decision on others.

He even took occasion to praise A&P for the efficient job of food distribution it had done.

Judge Lindley said:

"To buy, sell and distribute to a substantial portion of 130,000,000 people, one and three-quarter billion dollars worth of food annually at a profit of 1½ cents on each dollar, is an achievement one may well be proud of."

"No place in the world I take it are people so well fed as in the United States. Nowhere else, I suppose, do food distributors accomplish efficient distribution at so low a margin of profit. In contrast, we are told in other nations the problem is not one of an adequate diet but one of no diet at all."

But Judge Lindley did find us in violation of the Sherman Act. He based his ruling on the dual role played by our fresh fruit and vegetable buying subsidiary, the Atlantic Commission Company, whereby that organization acted both as buying agent for A&P and as selling agent for growers.

Judge Lindley said:

"If I assume for the purpose of disposition of this case that in general the policy of A&P was to operate within the law and attribute to defendants a desire to comply with the law, there still remains the conscious, knowing adoption by all defendants of a plan of action by the Atlantic Commission Company affecting every department of A&P and every retail store which cannot be squared with the intent and purpose of the act."

In his letter explaining the decision, Judge Lindley wrote: *"I have condemned their practices through the Atlantic Commission Company."*

Judge Lindley imposed fines totaling \$175,000. When his decision was upheld by the Circuit Court of Appeals in Chicago, we paid the fines. This ended the case—but we did not stop there.

Why, Then, Do They Want To Put A&P Out Of Business?

Ever since this suit was filed, the anti-trust lawyers have been making damaging statements that could seriously hurt our business if they were believed by the public.

They say that we were found guilty at Danville of all the charges they are making today. This is not true. Judge Lindley did not sustain all of the charges of the anti-trust lawyers.

They say this suit is designed to enforce the law.

But A&P has clearly demonstrated its sincere desire to abide by the spirit, as well as the letter of the law.

What We Did To Correct This

In the light of the decision, we immediately set about reviewing our activities to be sure that there could never again be any criticism of our operations.

First, the Atlantic Commission Company abandoned the dual role to which Judge Lindley objected and which he said was the basis of his decision against us.

We did this even though the Atlantic Commission Company had been licensed for many years by the United States Department of Agriculture to act as both a buyer and seller of fresh fruits and vegetables.

The Atlantic Commission Company now only buys for A&P. In other words, we stopped doing the thing which Judge Lindley said put us in violation of the Sherman Act.

We made additional changes in other methods of operation which Judge Lindley had questioned at Danville, even though he did not base his decision on them.

We did even more than this!

We went down to Washington and asked the anti-trust lawyers what else they thought we should do to conform to their new interpretation of the vague anti-trust laws.

The only answer we ever got was that we should break up this company!

Despite their claim that they were not opposed to A&P's size, they insisted that we destroy this size.

Despite their claim that they were not opposed to our manufacturing operations, they insisted that we get rid of our factories which produce many of the fine foods you buy at A&P.

Despite their claim that they were not opposed to our low prices, they insisted that we destroy many of the efficiencies that make these low prices possible.

In other words, they insisted upon the dissolution of A&P.

We were still trying to find out from the anti-trust lawyers what else they thought we should do to conform to the law when they filed the current suit to destroy A&P.

They say they are seeking to "enjoin" A&P from engaging in certain "alleged" practices. Actually, the whole purpose of this suit is not to "enjoin" us, but to put us out of business.

They say that this suit for dissolution is based on the decision handed down by Judge Lindley in Danville.

But Judge Lindley has said of his decision: *"I have not made a finding which could be the basis for a suit of dissolution."*

What, then, is the real reason why the anti-trust lawyers want to destroy this company, which for 90 years has pioneered the methods of distribution which have given the American people more good food for their money?

THE GREAT ATLANTIC &

PACIFIC TEA COMPANY

Judge Says Decision Offers No Basis For Litigation to Destroy the A. & P.

The Great Atlantic and Pacific Tea Company today revealed for the first time that, contrary to the claim of the anti-trust lawyers, a previous decision against the company at Danville, Ill., in the words of the presiding judge, could not be the basis for the current suit to destroy the A. & P.

In a nationwide newspaper advertisement, A. & P. disclosed that Federal Judge Walter C. Lindley, who presided over the 1946 Danville case, said shortly thereafter in a letter explaining his decision:

"I have not condemned the A. & P. system. I have not made a finding which could be the basis for a suit of dissolution."

The letter contradicted the repeated claims of the anti-trust lawyers that the same Danville decision is the basis of their present suit in federal court at New York to compel A. & P. to dispose of its retail store divisions and its manufacturing plants, and to dissolve the Atlantic Commission Company, its fresh fruit and vegetable buying subsidiary.

"So now," the advertisement said, "we have the anti-trust lawyers saying that their suit to dissolve A. & P. is based on Judge Lindley's decision. While Judge Lindley himself says his decision could not be the basis for a suit of dissolution."

A. & P. explained that in the Danville case it was the dual role played by the Atlantic Commission Company in buying produce for A. & P. and selling produce to the trade for growers that Judge Lindley objected to and which he said was the real basis of his decision.

Since then, the food chain disclosed a ACCO has discontinued this dual role even though it has been licensed for many years by the U. S. Department of Agriculture to act as both a buyer and a seller of produce. The ad said ACCO now buys produce only for A. & P.

"In other words, we stopped doing the thing which Judge Lind-

ley said put us in violation of the Sherman Act," the ad stated. "What, then, is the real reason why the anti-trust lawyers want to destroy this company, which for 90 years has pioneered the methods of distribution which have given the American people more good food for their money?"

Today's advertisement reviewed in detail the Danville case and the charges against the company. Previous ads in the series discussed other times when the anti-trust lawyers made serious and damaging charges against A. & P. which federal courts decided were not true.

"At Danville," the ad said, "the anti-trust lawyers made all of the charges which they are making against A. & P. today. They were the same charges they had made and dropped at Dallas, Texas, after four federal judges had objected to some of them as 'inflammatory.'"

A. & P. pointed out that the anti-trust lawyers have consistently maintained in the press and on the radio that the company was found guilty at Danville of all their charges. A. & P. denied this and stated that Judge Lindley "threw some of the charge out of court (and) he did not make any decision on others."

The ad told how Judge Lindley even "took occasion to praise the A. & P. for the efficient job of food distribution it had done."

Judge Lindley said in his decision: "To buy, sell and distribute to a substantial portion of 130,000,000 people, one and three-quarters billion dollars worth of food annually at a profit of 1 1/2 cents on each dollar is an achievement one may well be proud of."

"No place in the world I take it are people so well fed as in the United States. Nowhere else, I suppose, do food distributors accomplish efficient distribution at so low a margin of profit. In contrast, we are told in other nations the problem is not one of an adequate diet, but one of no diet at all."

A. & P. contended it had "clearly demonstrated its sincere desire to abide by the spirit as well as the letter of the law." The company said that when Judge Lindley's decision showed he was "critical of some of our activities," even though he did not base his decision on them, A. & P. made operating changes in these activities to avoid the possibility of future criticism.

"We did even more than this," A. & P. said. "We went down to Washington and asked the anti-trust lawyers what else they thought we should do to conform to their new interpretation of the vague anti-trust laws."

"The only answer we ever got was that we should break up this company. We were still trying to find out from the anti-trust lawyers what more they thought we should do to conform to the law when they filed the current suit to destroy A. & P."

Clarendon Doctor Is Given Party By Group of Friends

On Tuesday evening, close to 50 friends of Dr. I. G. Hyer and his wife gathered in Clarendon Methodist church parlors to honor him on his 75th birthday anniversary. Both Tiona and Clarendon were well represented in the group.

Rev. Grant Mottern led in various old time songs, with Jane Nelson at the piano. Gust Probst spoke humorously of his years of friendship with Dr. Hyer and others offered brief sketches.

Attention was called to the fact that the date also marked the 18th wedding anniversary of Mr. and Mrs. Fred Bauer, who came in for congratulations from many of the friends present.

The climax came when Raymond Haag presented Dr. Hyer with a handsome felt hat as a gift from his friends.

The occasion was a complete surprise to Dr. Hyer and his speech of thanks was not unmixed with emotion as he referred briefly to the 46 years of his medical practice in Clarendon and vicinity. To conclude the very pleasant evening, a buffet supper was served and a social time was enjoyed.

Choir Preparing Its Spring Concert

Warren High School's a cappella choir, under the direction of Carroll Fowler, is preparing for its annual spring concert at Beaty Junior High School gymnasium Thursday, May 18.

A guest violinist, choir soloists, and excerpts from the opera, "Martha," are promised, with a program of choral music.

From the 64 members of the choir, committees have been chosen, and plans for decorating the gymnasium to provide a suitable setting are being made.

Tickets for the concert are on sale and may be purchased from any member of the choir.

Growers can now ship tree-ripened peaches without spoilage by pre-chilling them in ice water.

St. Joseph's Group Is Planning For Activities

St. Joseph's Parent-Teacher unit members had a busy session for their May meeting, held in the clubrooms.

A report was given on the very successful card party held by the unit last month. Mrs. Fred Aumer asking that her thanks be extended to the committee members who assisted with the event.

Tentative plans were made for an ice cream social to be held before the end of school in June, with Mrs. Freda Davis naming the committee for the affair. It was also planned that the unit should be in charge of a communion breakfast for the graduating class of 1950 of St. Joseph's school.

Mrs. Ruth Still named Mrs. Faye Currie as chairman for June refreshments. John Hagerman presented April's monthly award for attendance to the fifth and sixth grades. Attention was also called to the purchase of silverware by the Altar Society and the unit for its own private use. A nominating committee to select new officers for next month's election will be appointed by President John Flaus, it was announced. At the same time, he extended a cordial welcome to new members.

For the program, a very enlightening talk was given by Elbert Miller, of the Penlee, on "Freedom Forum," and he was heartily thanked by the group.

To conclude, refreshments were served by Mrs. Bernice James and committee.

Don't Neglect Slipping FALSE TEETH

Do false teeth drop, slip or wobble when you talk, eat, laugh or sneeze? Don't be annoyed and embarrassed by such handicaps. FASTEETH, an alkaline (non-acid) powder to sprinkle on your plates, keeps false teeth more firmly set. Gives confident feeling of security and added comfort. No gummy, gooey, sticky taste or feeling. Get FASTEETH today at any drug store.

Unique Program By Pupils At Lander

"The Little Old Folks Concert" is the designation given the program to be presented by Lander school pupils in the Lander community house at eight o'clock Friday evening.

The scene of action is the living room of a revolutionary era home, with Act One depicting a scene in the home and Act Two as a singing school. Directors are Mrs. Anna Nelson and Mrs. June Andersen.

Students cast for the principal action of the concert are: Thomas Knapp as Job Harkins; Beverly Stanton as Granny Lumkins; Sally Sigkins as Fidgety Susan; Arnold Rowland as Sleepy Cherub; Arden Carlson as the Corporal; Virginia Wilson as Marjory; Nancy Schoonover as Dorothy; Joyce Jerome as Phoebe; and William Allenson as Amindab.

Comprising the chorus will be Harlan Hill, Beverly Fischer, Joan Mahan, David Gray, Larry Larson, Allan Marquis, Frederick Stanton, Arlene Albright, Sally Babcock, Emma Carlson, Phyllis Enos, Merle Johnson, Violet Jones, Donna Lee Wright, Laverne Devereaux, Linda Lou Beane, Carol Gray, Ruth Johnson, Barbara Lank, Gary Gray, and Charles Tower.

Mrs. Lauffenberger Is New Allen Class Head

Newly-elected officers of the Allen Class of First Methodist church are Mrs. Howard Lauffenberger, president; Mrs. Norman Kehrl, vice president; Mrs. C. A. Rudger, second vice president; Mrs. Robert McWilliams, recording secretary; Mrs. Glen Elliott, corresponding secretary; Mrs. Joseph Hoffman, treasurer; Mrs. E. C. Christenson, teacher; Miss Pearl Lund, assistant teacher.

The election took place at the regular meeting of the class, held in Dunham parlors of the church, with the slate presented by the nominating committee, Mrs. Roy Blodgett, Mrs. N. J. Anderson and Mrs. C. A. Rudger.

Claire Elliott, program chair-

Challenge In Theme—Our Daily Bread

Mrs. Earl J. Thomas, of Erie, who is vice president of the Pennsylvania Council of Church Women, addressing the annual May Fellowship luncheon sponsored by the Interdenominational Mission Study Group, provided her audience with some facts and figures whose authenticity is not to be denied.

Based on the day's theme, "Our Daily Bread", Mrs. Thomas' address included these startling facts:

"In spite of the great production and endless resources of our great country, there are 30,000,000 people in want and 52% of the world's people go to bed hungry each night. When we pray for daily bread in The Lord's Prayer, it is a universal prayer, and we think not in terms of our own family and its needs, but of the needs of the entire world."

"Christians are concerned about putting America's plenty into the vast valley of want in the world today. Bread is more than a symbol; it is an active power and souls might be revived if people were fed. Eight million annual incomes in the United States are less than \$1,000!"

Mrs. Thomas reminded her audience that insecurity and want and fear are the cause of mental illness and peace in the world can

only become a reality by the practice of Christian principles and the widening of horizons. "There can be no sitting on the sidelines for Christians today," she told the large group of women at the luncheon table, "for God needs messengers in the world of politics, of business and labor."

"Legislation", she said, "will affect every phase of our living and as church women, we must work together to raise life to a much higher plane. We must want the best and must let our lawmakers know what we want."

"God has need of our hearts and hands, and more than all else, of our minds and an intelligent understanding of today's problems. We must put our Christian knowledge into action and work together to bring about a much better world order."

Isabella Thoburn Unit Elects New Officers

Holding its regular meeting in Dunham parlors of First Methodist church, the Isabella Thoburn group of the WSCS elected the following to serve as officers for the coming year:

President, Mrs. G. R. Loree; co-vice presidents, Miss Estelle Roswell and Mrs. Harry Granquist; secretary, Mrs. W. G. Cable; treasurer, Miss Alexander.

Mrs. Harry Granquist led the devotional period and John Parker played two piano selections, "Minute Waltz" and "Theme". The business session, in charge of Mrs. Loree, included a review of the work for 1949-50 and a vote to send

\$15 to the Ruth M. Smith Home for supplies.

Miss Pauline Pittman, who is home on furlough from Greenville, Tenn., and is employed by the Presbyterian board of missions, gave a very interesting talk on her work. She is assistant to Rev. Allen Vinton, who was born and raised here and is the brother of Mrs. Georgia Groesch.

A social hour followed the program, with Mrs. W. G. Cable, Mrs. Ray Lewis, Mrs. J. D. Shortt, Mrs. Ethel Johnson and Lucille Farrell in charge. Light refreshments were served, with Miss Estelle Roswell presiding at the tea table.

Well-Planned Program for Senior Girl Scout Campference This Weekend

Senior Girls Scouts of northwestern Pennsylvania will assemble tomorrow at the Warren county camp, Birdsall Eddy at Grunderville, for a weekend of fun and participation in a well-planned program which centers about the theme, "Seeing Yourself As Others See You."

The weekend will begin with a dinner Friday evening, with introductions and then a guest speaker, Newell Edson, of Erie.

Mr. Edson, executive secretary of the Erie Social Hygiene Association since 1938 and author of many pamphlets and magazine articles, will speak to the group in the evening, using the theme as his topic and answering the questions prepared in advance by the girls.

Saturday is also a full day, with middle groups on personality traits helpful to various professions, followed by a panel discussion in the evening in which two Warren county adults will participate: Miss Jean Clark, R. N., of Warren, and E. C. Stillings, of Youngsville. Mrs. Barbara Swope, field director for the McCampo Girl Scout Council, will act as moderator for the panel.

Warren county girls attending the weekend are Rosemary Prigent, Joyce Pierce, Bonnie Sherwood, Joyce Sponsler, Peggy Eaton and Karin Stohl, of Warren; Joan Huckabone and Patty Kostel, of Starbuck; Carol A. Zediff, Jackie Fitzgerald and Shirley Huvert, of Youngsville; and Shirley Stover, of Sheffield.

Mrs. Ralph VanOrd, president of the Warren County Council, will welcome the group at dinner Friday evening.

Mrs. John Kirk, volunteer advisor for the sectional committee, will be in attendance at the weekend, along with another volunteer

advisor, Mrs. Janet Fink, of Emporium, and Miss Grace McClain, executive director of Meadville Girl Scout Council, who is the professional advisor of the senior sectional committee making all the arrangements for the campference.

Y-Teens Arrange Party Honoring Their Mothers

Monday, May 15, is the date set for the annual Y-Teen mother and daughter banquet at the YWCA, with 8:15 as the serving hour. This is the last big event of the club year, when both junior and senior high groups gather to honor their mothers.

Y-Teens will present their own program for the mothers, and officers of the High School Girls Club will install those newly-elected to serve in the coming year.

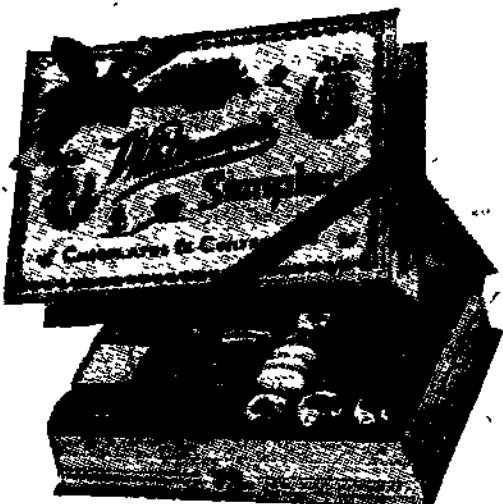

All Y-Teens and mothers are cordially invited to this affair and are asked to make reservations by returning double post cards mailed to each member or by calling the YW, 450.

SPECIAL PROGRAM FOR RUSSELL PTA

Members and friends attending the regular meeting of Russell PTA Tuesday evening will enjoy selections by the Russell Firemen's Band; a white elephant auction under the direction of Howard Fox; as well as a social hour and refreshments. Officers recently elected will be installed during the business session. Each one attending is asked to bring a wrapped gift for the auction, all proceeds to be used for the educational film fund.

The diamond is the hardest known substance.

Betty Lee

Remembrances for Mother...

Dear, wonderful Mom... she would never think of telling you how much she wanted a smart sheer dress, or perhaps a go-everywhere topper... she's never hinted that she thought she would look well in one of the new Spring suits... that she's often fancied herself in a glamorous gown. No, not dear, wonderful Mom—she would never say a word. But we know she's a woman and that she would love any one of the gifts we've suggested in our Mother's Day fashion collection. So, remember Mother on her Day with a beautiful Betty Lee gift.

There's nothing finer for Mom on her Day!

Youngsville BPW Installs New Officers In Impressive Candle-Lighting Rites

Youngsville, May 11—At the May meeting of the Youngsville Business and Professional Women's Club, held in the National Forge clubhouse at Irvine, a colorful and impressive installation ceremony was held for the newly elected officers, who will take over in June their duties for the club year of 1950-51.

Mrs. Ruby Ransom, a past president of the local club, acted as installing officer in a candle-lighting ceremony. Tall white candles were used and, as the installation progressed, each officer was given a long taper in color significant to the office to which she had been elected. The ceremony was called

the Rainbow Installation. Mrs. Vivian Smith, president, was given a gold candle for "Vision." Mrs. Mildred Harner, vice president, was given a red candle for "Courage." A green candle for understanding was given to the recording secretary, Mrs. Edith Young. The recording secretary, Mrs. Helen Unterreiner, received a blue candle for loyalty and the treasurer, Mrs. Lola Walter completed the rainbow colors with a violet candle for wisdom. The officers held their lighted rainbow candles through the installation ceremony.

At the business session, an invitation to attend the 12th birthday party of Warren B. P. W. Club was read, and all who could do so were urged to attend the Warren party.

Announcement was made that the annual May breakfast of the Youngsville Club will be held at 8 p. m. Sunday, May 21st, at the clubhouse with Mrs. Lola Walter, chairman.

The annual June picnic will be held June 12th, with the committee Mrs. Georgia Kinnear, chairman; Miss Minnie Hanson, Blanch Kirkman, Nellie Knapp and Ora Schnell.

HOME STREET SOCIAL
The Home Street School Mothers Club announces it is having an ice cream social from 4:00 until 8:00 p. m. Friday at the school building and extends a cordial invitation to the public.

Chandlers Valley School Students Are Heard In Splendid Annual Spring Event

AT FESTIVAL—Lois E. Hildum has been selected to represent Tidioute High School at the State Music Festival to be held in Harrisburg May 17-21. She is the daughter of Mr. and Mrs. Lee Copeland, of Tidioute.

Pre-School Group Has Election of Officers

At the May meeting of the Pre-school Child Study Group, held at the home of Mr. and Mrs. Harry Johnson, 100 Alexander street, the following were elected to serve as officers in the coming year:

President, Mrs. Francis McCann; vice president, Mrs. George Mock; secretary, Mrs. Norman Smith; treasurer, Mrs. Ray Barner; program chairman, Mrs. Art McDonald; assistant, Mrs. Bill Duff, Jr.; hostess chairman, Mrs. Harry Johnson; historian, Mrs. Wade Barre; membership chairman, Mrs. Clifford Knowlton; publicity chairman, Mrs. Delos Henry; cards, Mrs. Emil Ristau.

Gifts were contributed for a sunshine basket for Johnny Thompson, 14 months old son of Mr. and Mrs. Fred Thompson, who is a patient in a Buffalo hospital.

Following the business meeting, a panel discussion of children's problems was held, with Mrs. Robert Schwartz as moderator, and Mrs. Hugh McClellan, Mrs. E. P. Wroth, Mrs. Emil Ristau, and Mrs. Tom Gatehouse as participants.

To conclude the meeting, refreshments were served by Mrs. Johnson and her committee, Mrs. Bob Reynolds, Mrs. Elbert Miller and Mrs. Clifford Knowlton.

The lightning rod first was used in September, 1752, by Benjamin Franklin.

Happy Is The Day When Backache Goes Away . . .

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slow down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretion. If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 60 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Sugar Grove, May 11—Chandlers Valley school children were well received by an enthusiastic audience when they presented their annual spring concert in the local high school auditorium.

Two operettas were given under the supervision of the music teacher, Mrs. Howard Andersen. The first and second grades, with Miss Caribell Swanson and Mrs. Gerald Rhodes as teachers, gave "Peter Rabbit" in three acts; while the third, fourth, fifth and sixth grades, taught by Mrs. Ransom and Floyd Nobbs, presented "Cowboys and Indians."

Principal figures in the first offering were Wayne Kipple as Peter; Juanita Reed as Flopsy; Bonnie Mejer as Mopsy; John Dufresne as Cottontail; Patricia McKinney as Mother; Morris Beedie as Mr. McGregor, and Meredith Thorpe as the First Lettuce.

About 30 children in attractive crepe paper costumes represented the vegetables growing in the McGregor garden: Lettuce—Carol Bosko, Marilyn Morando, Charlotte Carlson, Patricia Flasher, Rose Marie Giotz, Mary Lou Black, Barbara Meade, Beans—Richard Tudor, Howard Rutsky, Howard Meade, Dwight Work, Donald Annis, James Black, Clair Black, Darrell Wellacher, Howard Flasher, Robert Salhoff, Peas—Jean Utter, Barbara Hook, Priscilla Nobbs, Norma Perrin, Barbara Rutsky, Joy Darling, Betty McMillan, Clara Black, Carrots—Mary Margaret Utter, Allen Keller, Ronnie Passinger, Delores Sward, Doris Irwin, Judy Slocum, Elizabeth Tidrick, Raymond McMillan and Carol Jewell.

For the older group, the cast was comprised of the following: Great Grey Eagle, Robert Ruhlman; Rain in the Face, Clayton Meiser; Arkoma, Sylvia Meiser; Owl in the Duck, Freddy McKinney; Black Otter, Donald Smith; Sleepy Water, Dorothy Zurkan; Quiet Dove, Dawn Nobbs; Dick, John Gregory; Frank, Lloyd Irwin; Percy, Paul Slagle; Bill, John Keene; Mrs. Bill, Joan Hornstrom; Jim, Bobby Watson; Elsie, Judy Morando.

Boys and girls of the four grades, three through six, comprised the chorus of cowboys, Indians and squaws.

SENECA PTA

Seneca PTA will have its last regular meeting of the year Thursday, May 18, at 6 p. m. at Warren Grange Hall. The business session will be preceded by a tureen dinner for which reservations may be made by calling Mrs. Joseph Sugerman, phone 531, by Monday, May 15. The white elephant sale has been cancelled.

REBEKAH LODGE

Lady Warren Rebekah Lodge will hold its regular meeting at eight o'clock Friday evening in the lodge rooms and Erma Eckardt, captain of the drill team, asks that all members be on hand for practice after the meeting.

Joe Shomen, Ottawa Indian, operates a totem pole factory at St. Ignace, Mich.

Fun For Everyone At PTA Auction Saturday

Delmar Mickelson will be the auctioneer at a public auction sponsored by the PTAs of Sugar Grove, Lander, and Chandlers Valley, Saturday evening at seven o'clock in the Sugar Grove gym.

Anyone having anything to contribute, such as baked goods, canned goods, clothing, household items, fancy work, or what have you, is requested to bring the articles to the meeting.

There will be fun for everyone, refreshments and music.

MISS ANDERSON IS GUEST FOR SHOWER

Miss Emmy Andersen, who is to become the bride of Calvin C. Rossman on May 27, was honored guest for a kitchen shower party given Tuesday evening by Mrs. Gertrude Rossman, Mrs. Charlotte Rossman and Mrs. June Seymour, at the Seymour home.

A color thought of yellow and pink was carried out with daffodils, sweet peas and pink candles in an attractive arrangement. Games were enjoyed and prizes were awarded to Mrs. Leonhart Andersen for first; Mrs. Ernest Nollinger, second. To conclude, the bride-elect was showered with many lovely gifts from the following:

Mrs. Martha Cohan, Mrs. Betty Peterson, Mrs. Leonhart Andersen, Mrs. Grace Scallie, Mrs. Harriet Dahler, Mrs. Elsa Brooker, Mrs. Lizzie Cohan, Mrs. Minnie Riquer, Mrs. Geneva Watson, Mrs. Ernest Nollinger, Mrs. Alice Scallie, Mrs. Marie Cole, Miss Mamie Scallie, Miss Esther Andersen, Mrs. Fatsy Scallie and Mrs. Clara LeTrent.

WOMEN OF THE MOOSE

Following a pleasant afternoon of games and a tureen supper, members of Warren Chapter, Women of the Moose, held their regular business session in the clubrooms last evening. Senior Regent Ellen Dove conducted the meeting, during which plans were completed for a bake sale to be held at the Penny Store, May 19. Members are asked to call Maud Eckland, 2965-M, if they have articles to donate for the sale or for collection if they are unable to deliver the items.

Prizes for the evening were won by Hilda Carlson, Alice Helman and Maud Eckland.

SPRING IS HERE

Bookmobile Will Be Discussed At Sheffield Friday

Friday evening both Sheffield PTA's and the one in Barnes are cooperating to sponsor an open meeting in the Sheffield American Legion Home, when a County Bookmobile program will be presented by a group from the Friends of the Warren County Library. Mrs. Gerry Archibald will be in charge of the program which will be given at 8 o'clock.

A large attendance is expected because of the interest of many citizens. The Sheffield School Board was one of the first in the county to go on record favoring county-wide library service.

The Friends of the Warren County Library has proven to be a well chosen name for the organization formed in February to bring together other organizations and individuals wishing to cooperate in the development of county-wide library service. From all over the county have come requests for meetings to organize local units or for programs in existing organizations.

Among the most recent units organized are in Lottsville and Garland. Mr. Sheridan Baker is chairman of the group in Lottsville and Mrs. Francis L. Briggs in Garland. Mrs. Harry L. Lewis is the representative of the citizens group of Pleasant Township which has recently filed a petition with the county commissioners.

The friends of the Warren County Library will send teams to any community which requests an explanation of the program.

Other meetings, recently requested have been scheduled in Kinross on May 18; in Chandlers Valley on May 23 and in Tidioute on May 24. The dates are pending for several others which will be announced next week.

Tuesday evening at a County Bookmobile program in the Plank Hill School, the announcement was made that both the school board and the PTA of Watson Township had gone on record in favor of county-wide Bookmobile library service. Resolutions from both organizations have been sent to the Warren County Commissioners, requesting the support of such a program.

Watson Township has been one of the most alert communities from the beginning of the present campaign for a county Bookmobile. Representatives traveled the longest distance in bad weather to attend both county-wide meetings in Warren and enrolled as charter members of the Friends of the Warren County Library.

Mrs. Gerry Archibald, president of the Warren County Council PTA and also chairman of the Friends of the Warren County Library, had charge of the presentation. She was assisted by Mrs. Calvin Buerkle, secretary of the Friends of the Warren County Library and Mrs. Olive Archibald Huff, publicity chairman.

NOTICE

Rules regarding planting on lots in Oakland Cemetery. Only one pot of flowers will be permitted per each grave per lot and shall not be more than ten inches of top diameter and twelve inches in height. Planting on graves is NOT permitted and cut flowers are permitted on graves at all times.

How Long Does
CHANGE OF LIFE Last?

For some women mid-life's crucial "change" may be a reasonably short time; for others, unfortunately, much longer. In either case the sensible thing is to make this very trying period as easy as possible. That's why today thousands of women bless Cardul. Its modern-type aid so often gives just the comforting help needed to soothe frayed, edgy nervousness and relieve that depressing weak, tired feeling. Wonderfully relaxing in nervous irritability, Cardul's grand stomachic tonic action helps Nature increase resistance, fortify vitality, and give you a brighter outlook on life. Do try it! Get Cardul today at any drugstore. (Says "Card-goo-ee").

W. S. C. S. at Irvine
Has Regular Meet

Irvine, May 10—The W. S. C. S. of the Methodist church, held its regular meeting at the home of Mrs. Chester Mason, with nine members and one visitor. Mrs. Olson, president, opened the session with Scripture reading from the 13th chapter of Hebrews. Several hymns were sung and readings given. Mrs. Olson conducted a Bible quiz and Mrs. Wing a "penny wise" quiz, both proving entertaining and instructive. A silver offering was taken during the routine session and, to conclude, a social hour was enjoyed and refreshments were served by the hostess. The next meeting will be held at the home of Mrs. Otto Bliss, June 1st.

Mrs. Laura Wing attended the funeral of her brother-in-law, Roy Hansen in Warren.

Mr. and Mrs. Otto Bliss visited a cousin, Mrs. Grace Mitchell, in Union City Sunday.

Drs. Knapp and Shortt were professional callers in town during the week.

Andy Randinelli, Jr., a student at Pittsburgh University, spent the weekend at the home of his parents, Mr. and Mrs. Andy Randinelli, Sr.

Mrs. W. K. Bonner and son and gany, spent the weekend visiting her mother, Mrs. Laura Wing, and other relatives in Irvine and Youngsville.

Benny Randinelli attended a ball game in Pittsburgh Sunday.

Mr. and Mrs. Leigh Nulph and children, and Mrs. Wing were dinner guests at the Wade Ransom home in Youngsville Sunday, honoring their son, Penny's birthday.

Rev. E. W. Chitester was making calls in town Sunday evening.

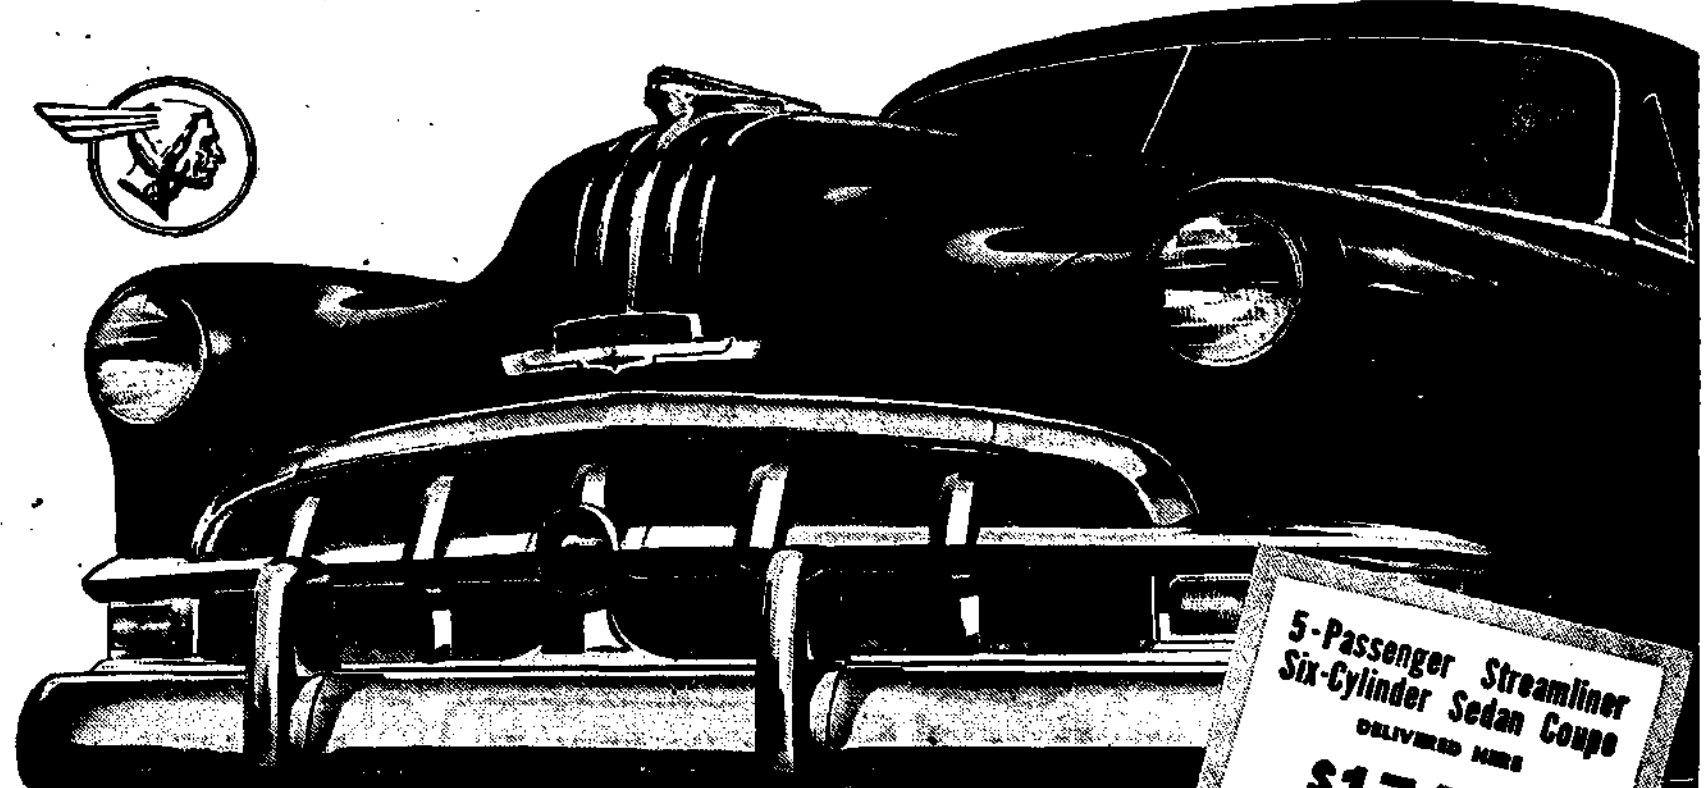

Mrs. Bertha Akeley, of Russell, was a guest of Mrs. James Dolphin, Sr., several days last week.

Mr. and Mrs. Otto Bliss were guests at the home of her sister, Mrs. William Sweetland Sunday evening.

Lynn Oviatt has returned home after an extended visit at the home of his daughter, Mrs. Tom Carr at Cambridge Springs.

DELIVERY SERVICE AVAILABLE AT A SLIGHT COST

1 Kaiser Unveiled For First Time At Hanna Show Room

The 1951 Kaiser automobile is on display for the first time at Hanna Motor Sales, 219 Pennsylvania avenue, west, Kaiser dealer in Warren.

The new line features six body styles and 12 models. Hydra-Matic is available in all models as an extra feature.

Advance advertising for the car is attention to large windshield for greater vision, new walk-in, lounge-comfort seats, more leg and leg room, lower center

of gravity, jumbo sized brakes, and the new 115 horsepower Kaiser Supersonic High-torque engine.

The unveiling of the 1951 Kaiser today also was the occasion for the motor firm to announce the names of the winners in the company's \$200,000 contest to select a name for a low-price-field car on which Kaiser-Frazer will start production next month.

Names of the winners were posted for the first time today on the walls of all Kaiser-Frazer dealers.

The new car for the low-price field is an attractively styled two-door sedan accommodating five passengers and featuring a new-type luggage carrying arrangement, which provides cargo space of 65 cubic feet. Obtainable in deluxe and standard models, the car will offer owners a choice of two new Kaiser "Supersonic" engines, a four and a six, both engineered to deliver gasoline mileage upward from 30-35 miles per gallon.

The three major prizes to be presented this week by Kaiser-Frazer dealers are \$10,000, \$2,500 and \$1,000.

A sum of \$79,225 has been donated by Kaiser-Frazer to the Damon Runyon Memorial Cancer

RUSSELL

Russell, May 10—Announcement is made that the only change in local post office regulations is that it will be open from 7:45 a. m. to 6 p. m., instead of remaining open until 10 p. m.

Noble Grand Clarence Johnson was in charge of the regular meeting of IOCF Lodge, when it was announced there will be initiation of four candidates at the next meeting and other degrees will be conferred by Youngsville and Sheffield.

Twenty-five people a year apply for patents on perpetual motion machines. The models never work, however.

field. A dart ball game with Frewsburg was enjoyed, with Russell team winning. Refreshments were served.

Sunday callers of Mr. and Mrs. Gerald Mattison were Mr. and Mrs. Jack Hazard, of Bemus Point; Mr. and Mrs. Boyd Griffin, of Jamestown.

Mr. and Mrs. Arthur Briggs and Mrs. Martha Houghwot attended Pomona Grange at Scandia.

Sunday guests of Mr. and Mrs. Paul Wood were Clair Wood, of Salisbury; Bert Hill, of Diamond,

O.; Hazel Ernst, of Ravens, O.; Mr. and Mrs. Archie Brown, of Torpedo; Mr. and Mrs. Ivan Wood and family, of Kiantone; Mr. and Mrs. Charles Swanson and family, of Russell; Mrs. Marshall Peterson, of Warren; Mrs. Coral Edgett and Warren Gilson, of Warren.

Mr. and Mrs. Robert Branstrom and family spent the weekend with Rev. and Mrs. Phillip Schlick at Silver Creek.

Mr. and Mrs. Harry Pearson spent the weekend in Erie with Mr. and Mrs. Ernest Staaf. Marie

Olmstead spent the weekend with relatives in Erie.

Katherine Jolley, of Fredonia, spent the weekend with her grandparents, Mr. and Mrs. Andrew Lindell.

Friends of John Van Orsdale will be glad to know he is able to be out and is convalescing satisfactorily.

Mr. and Mrs. Archie Brown, of Torpedo, are visiting their daughter, Mrs. Paul Wood, while Mr. Brown is convalescing from an operation.

STATE OFFICIAL VISITS HERE: Dr. A. Pauline Sanders, left, of Harrisburg, chief of Home Economics Education, Department of Public Instruction, was in the Warren county area yesterday and today to visit home economics departments in county and borough schools. She made the tour with Miss Elverda M. Fagley, right, of Warren, home economics adviser for Warren, Forest, McKean and Elk counties. (Staff Photo)

Birthday Party At Church In Lander To Honor Minister

Lander, May 10—Following the business session of the Methodist official board members, a birthday party was held to honor the pastor, Rev. Gustav Erickson. Board members served delicious refreshments, including a beautifully decorated birthday cake and greeting cards were received from board and individual members.

Confirmation services were held Sunday at the church, Rev. Erickson in charge. Twenty-two young people were confirmed and 13 children and three adults were received into the church membership. Nine of those confirmed had been admitted to membership previously. All those confirmed were presented Bibles and diplomas by the pastor. Rev. and Mrs. Erickson were presented a beautiful gift by Bennie Firth in behalf of the class.

Mr. and Mrs. George Rapp, Ellen and Clifford Rapp and Ruth Phillips, of Sugar Grove, were at Chautauqua Sunday.

Mrs. Jennie Lyon, Mrs. Evelyn Wilcox, Mr. and Mrs. Evan Wilcox attended Pomona Grange at Scandia.

Mrs. Hettie Walgren and Miss Agnes Wilkinson spent Saturday

evening with Mr. and Mrs. Fred Ludwick.

Mrs. Elmer Swanson, Mrs. Hazel Kays, Mrs. Gustav Erickson, Mr. Gayle Moley and Mrs. Fred Ludwick attended the District WSCS meeting in Dunkirk.

Mr. and Mrs. Raymond Swanson and son, Craig, of Erie, spent the weekend with the former's parents, Mr. and Mrs. Joseph Swanson.

Mr. and Mrs. Ellsworth Hale,

of Busti, have purchased the Bert Stockton farm on the Russell-Lander road.

Mr. and Mrs. Lyle Owens and family, of Buffalo, spent the weekend with the latter's mother, Mrs. Anna Carlson.

Mr. and Mrs. Jay Cowles visited Mr. and Mrs. Lloyd Cowles at Jamestown, Friday evening.

Mrs. Ed Frank, of Warren, spent a few days with Mr. and Mrs. Carl Rowley.

From where I sit ... by Joe Marsh

Mud Lake Gets "Cleared Up"

County officers got a notice from the government not long ago, asking them to change the name of Mud Lake. Seems it's a pond, not a lake, by government standards.

Because it lies entirely inside our town limits, we asked to do the name-changing ourselves. Figured we'd think up a brand-new name. Mud Lake's really not very muddy—sort of pretty, in fact.

County people said go ahead, so we held a Town Meeting. Everyone suggested something. Windy Taylor thought "Taylor Pond" would be nice, because his place borders

it—for about 30 feet! But we finally decided to call it "Turtle Pond" in honor of the real owners. From where I sit, naming that pond wasn't the most important thing in the world—but the way we did it was. Everyone offered his opinion and then the majority vote decided it. That's the way it should be—whether it concerns naming a pond, or having the right to enjoy a friendly glass of beer or ale—if and when we choose.

Odd Fellow Lodges Planning Classes To Honor Grand Master

A number of Odd Fellows lodges in the area are combining to initiate a large class in honor of Grand Master James H. Ell. It has been announced that the class will receive its first degree at Youngsville on May 22nd, the second degree at Ell on May 29th and the third degree at Sheffield June 2, when the campaign will be terminated by a banquet in the IOOF hall. The individual lodges will confer honorary degrees on the classes at their own lodge halls, with Ell planning to exemplify the degree next Monday evening. This promises to be one of the most interesting projects the I. O. F. has launched in the county some time. Further details regarding the activity will be announced later.

Letters to the Editor

Warren, Pennsylvania.
May 9, 1950.
Editor Times-Mirror
Pennsylvania Avenue, West
Warren, Pennsylvania

Sir:
Just what is being accomplished by the Democratic Party by its now employed through the Times-Mirror?

If a party holding office or serving on a committee is not qualified that position why bring person-grudges to bear in the case? It seems the leaders of our Democratic Party should call a truce in the good of the party and let not be divided among ourselves. It is a well known fact and common practice for a person in a position to do so, to remember their ends, and Mr. Anderson is to be commended in his choice of Director of the Census, as Paul Grey in every way capable of the job and held in high esteem in Warren. When he changed parties is no bearing on the case as long as he is qualified.

For your information, I wish to state I do not know Mr. Anderson personally and am not related to him in any way even as an in-law—and neither is Mr. Grey as is incorrectly stated in Friday's paper.

Just Another Democrat.

KINZUA

Kinzua, May 11—A meeting of a newly-organized American Legion Post, 747, will be held this evening at Shain Jenkins' garage. The WSCS meeting of the Methodist church is scheduled for tonight.

Donald Sheldon is visiting relatives in Florida. The members of the Methodist church are raising funds for a new kitchen to be built at the back of the church. The church is redecorated last year and beautiful new carpeting was put down.

The first league game of the Kinzua ball team is scheduled for May 28th.

Birth Record

In Washington
Word is received from Roy Bell, Bennett, Md., of the birth of a daughter May 8 to Mr. and Mrs. Melvin Good, of Washington, D. C. his daughter and son-in-law, a baby, weighing seven pounds 13 ounces, is the first grandchild of H. F. Bell, Melville Place, this city, who is wearing his biggest smile.

At Maternity
Mr. and Mrs. Richard Shattuck, Wilson street, a daughter May 8.

Benjamin Franklin's lightning rod with a kite and a key during thunderstorm was made in 1752.

Board Names Art Instructor at Beaty

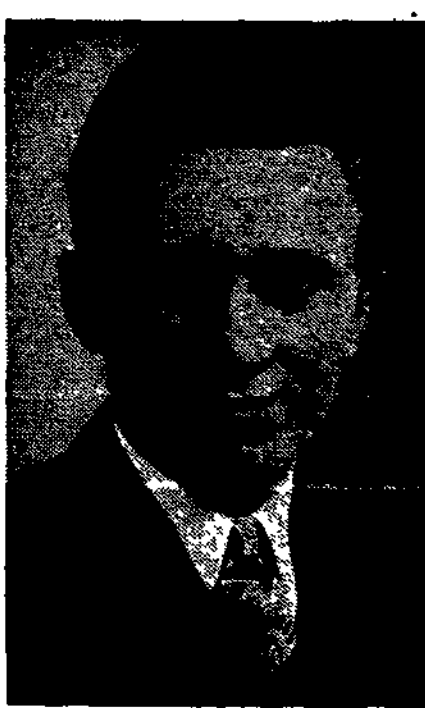

Joseph R. Spence, art instructor at Beaty Junior High School, is the choice of the Warren board of education for the newly-created position of art supervisor in the elementary buildings of the school district.

Mr. Spence holds a Bachelor of Science degree in Art Education and Supervision from Edinboro State Teachers College, and has been continuing his study in the Graduate School of Education at the Pennsylvania State College.

He came to Warren in the fall of 1948, as art teacher on the Beaty Junior High School faculty, having taught for one year in the Oil City schools.

Taking an active interest in civic affairs as they pertain to his profession, Mr. Spence has served on a number of committees for selection of poster winners, in home and community decorating competitions, and is currently in charge of selecting grade school entries for the Woman's Club Art Talent Recognition Contest.

Residing at 310 East street, he and his wife have three children, including twins born just recently. There have been definite changes in the concepts of art education within the last few years. Educators no longer believe that art is for the talented child only, but that it is vital for the creative and mental growth of every child. Through integration of art with other subjects, pupils acquire

JOSEPH R. SPENCE

a clearer understanding of these subjects as well as the place of art in world society and civilization.

To incorporate these newer concepts into the curriculum will be one of the functions of the art supervisors. Other duties will include standardizing the program throughout the elementary system, advising and consulting with the individual classroom teachers.

HOT STOVE BASEBALL LEAGUE

Warren Chapter

Only five more team sponsors are needed to complete the full roster of 44 teams planned for this year's Hot Stove Baseball program.

This was announced today by League President Charles Musante following a meeting of officers, ward and district representatives and team handlers in Trinity Memorial parish house.

The five teams needing a sponsor are two of the Bantam League nines, and three in the Junior circuit.

The League program, expected to get under way about June 1, will provide supervised baseball for eight Bantam teams (boys 8 to 10 years old); 18 midjet nines (10 to 12 years old); 15 Intermediate squads (12 to 15 years); and eight Junior teams (15 to 18 years).

In last year's program, there was a total of 29 Midjet and Intermediate teams, but the program was expanded this season to include the Bantams and the Juniors.

A big boost was given the Hot Stove program last night when the organization was presented a check for \$100 from the Warren Sports Boosters Association.

The presentation was made by Joe Gardner, who along with Elmy Morrison and Nick Creola, form the baseball committee for the Sports Boosters. Gardner said the Boosters were solidly behind the Hot Stove program and would help out wherever possible.

"It's wonderful support from organizations like the Sports Boosters that make the Hot Stove program a success," League President Musante declared.

Ward and district chairmen were inducted to call their groups together within the next few days and have the Hot Stove members measured for uniforms.

It is hoped that this phase of the program can be completed by the next Hot Stove meeting.

A meeting of all Hot Stove Bantams, Midjets, Intermediates and Juniors in the Pleasant Township and South Side areas will be held Friday night at 7 o'clock at the Southside baseball field at the rear of the Beyer warehouse.

Turkey Dinner Is Enjoyed By Athletes Of Farmington Twp.

Lander, May 11—About 50 persons gathered in the Lander Community House last evening for the annual banquet of the Sugar Grove-Farmington High School Athletic Association, sponsored by the joint high school's PTA members.

A delicious turkey dinner was served at tables decorated with spring flowers and mint cups in green and white, the school colors.

Harvey Sandeen served as an able toastmaster, with Richard Farver, agricultural teacher, extending a cordial welcome.

Musical numbers included a clarinet solo played by Martha Grant, with piano accompaniment by Shirley Sherrard, who then played a solo on that instrument.

After an informal talk by Fred Bauer, boys' athletic director, Floyd Nobbs, basketball coach

Mobile Safe Driver Clinic Has a Busy Day at Youngsville

Youngsville, May 11—The big mobile safe driver clinic parked at noon Wednesday near Youngsville, post office and the Quality Cash market. It was an interesting car with many gadgets within, and staffed by a driver and driving expert testers. The mobile was parked there for several hours giving plenty of time for all who desired to take the tests.

The scientific instruments with which the mobile was equipped gave an opportunity to take psycho-physical tests in eight tests of driving ability.

As Youngsville stores are closed Wednesday afternoon, not as many people were on the street to see the mobile as on other week days, however we notice several local people in the Mobile Clinic at the same time.

Any project which will make better and more careful drivers is very worth while and Warren county, including Youngsville people, owe a debt of gratitude to the Warren County Chapter of the Pennsylvania Motor Truck Association for bringing the Mobile Safe Driver Clinic into Warren county.

Word has just been received that Miss Grace Quay, of Kane, who makes her home with her sister, Miss Belle Quay, is very ill. Both Miss Grace and Belle Quay are former Youngsville residents and have many friends who are very sorry to learn of illness in the family, and hope for her return to health.

A number of improvements have been made in the Youngsville cemetery. One of the most necessary was painting the speaker's stand to get it ready for the coming Memorial Service. A group of interested citizens working for the community interests painted the building white using some three gallons of paint. The men also strengthened the benches in the stand and without the stand.

Walter Hardware is to put a new roof on the building soon.

George Sigworth, county commissioner of Clarion county, Rev. C. C. Mohney of Corsica, and two laymen of the Asbury Methodist church were Methodist paragoners Saturday.

Special Trucks Are Carrying Mail To Jamestown

(From Page One)

be carrying additional mail cars to help handle the extra mail. This service, however, will not be available on Sundays.

Mr. Bell states the arrangement explained above will be provided as long as the strike continues or until there is a change in the strike situation.

DIFFERENCE IN ECLIPSES

Eclipses of the sun can be seen from only a small belt of the earth's surface, while eclipses of the moon can be seen from any part of the earth.

showed pictures of big league baseball games.

Mrs. Avis Rosendahl, girls' basketball coach, presented letters to the following members of her squad: Gladys Abbott, Myrtle Hodges, Martha Grant, Katherine McClure, Mary Alice Atkins, Hazel Ann Miller and Ruth Bush.

Cheerleaders' letters, presented by Principal Everett Landin, went to Ellen Rapp, Ruth Phillips, Betty Williams, Freda Craker, Marjorie Hook and Laura Ellis.

Boys receiving letters from their coach were Sherman McClure, John Stuart, Gail Frank, Charles Smith, Doyle Carlson, Ronald Barrett, Gail Onink, Harvey Sandeen, Lewis McIntyre, Gayle, and Davis Marsh.

Why just listen to reasons?

COME SEE FOR YOURSELF!

THIS TIME we'd like to tell you about something that you cannot see in this picture—something, in fact, you cannot know about from looking at someone else in a passing Buick—or from viewing a Buick on our showroom floor.

It's the feel you get from a Buick in motion. You are going to find out that it is something like traveling on your own private, jet-propelled cloud—only firmer.

Maybe you know a stretch of washboard road, where you have to slow down, or bounce and jitter.

Try that in a Buick and see how you keep a level, comfortable boulevard smoothness.

Maybe you're always on edge to dodge dips and chuckholes. Those also lose most of their jolt when you're at the wheel of a Buick—or in the rear seat.

In a few simple words—the ride of any Buick—SPECIAL, SUPER or ROADMASTER—is out of this world.

We could give you a lot of reasons. Soft coil springs on all four wheels, for example—the firm linkage of the torque-tube drive—the distribution of weight—big soft tires on wide rims—the way Buick engines are mounted.

Even Dynaflo Drive*—always silk-smooth and free of geared-drive harshness—plays its part in the marvelous Buick ride.

But why simply listen to reasons? Experience is still the best teacher.

Come see for yourself why the Buick ride is called "matchless"—and how little it costs to replace a jitterbuggy with one of these level-striding honeys.

Only BUICK has Dynaflo—and with it goes!

HIGHER-COMPRESSION Fireball valve-in-head power in three engines (New V-263 engine in SUPER models.) • NEW-PATTERN STYLING, with MULTI-GUARD fender, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with body by Fisher.

Obituary

Unless otherwise stated, visiting hours at Warren's funeral homes are from 10 a. m. to 12:30 p. m. and 7 to 9 p. m.

ROBERT J. SPRINGER

Services in memory of Robert J. Springer, 116 Pennsylvania avenue, east, who died on Saturday, were held at 2:30 p. m. Wednesday at the Templeton Funeral Home, with the Rev. C. O. Luce, Jehovah's Witness minister from Erie, officiating.

The very largely attended services and the many beautiful flowers expressed the love and sympathy of all who knew him. Interment was made in Oakland cemetery, with the following serving as bearers: S. E. Lawrence, Donald Lawrence, Carl Peterson, Anthony Scallie, Harry Boughton, Melvin Albright.

Attending the rites from away were Mr. and Mrs. G. M. Springer and family, Mr. and Mrs. Willis Sterling, Titusville; Mr. and Mrs. Fred L. Springer, Irvine; Mr. and Mrs. Elmer Hunt, Mrs. Harriet Hunt, Wellsville, N. Y.; Mrs. Claude Hill, Friendship, N. Y.; Mrs. Archie Hamilton, Mrs. Wilbur Hopkins, Olean, N. Y.; Bert Hunt, Richard Hunt, Franklinville, N. Y.; Mr. and Mrs. Hugh Tibbitt, Portville, N. Y.; Mr. and Mrs. Elmer Lindberg, North East; Earl Jackson, Sr., Earl Jackson, Jr., George Jackson, Erie; Hector McGilivray, Mrs. Alice Maxwell, Mr. and Mrs. William Willoughby, Bradford; Mr. and Mrs. Clyde Arner, Kittanning; Lewis Angood, Coudersport; Mrs. Dale Terry; Mrs. Ruth Terhune, Mrs. Grace Farnsworth, Jamestown, N. Y.; Mr. and Mrs. Jeff Peterson, Wilcox; Rev. and Mrs. C. O. Luce, Erie; Mr. and Mrs. L. C. Brown, Olean, N. Y.; Mr. and Mrs. Leon Hopkins, Fillmore, N. Y.

DELORES JANE LINDSTROM
Delores Jane Lindstrom, three months old daughter of Mr. and Mrs. Frank Lindstrom, Sugar Grove RD 2, died at the family home at 7:30 a. m. today following a short illness. Besides her parents, she leaves a brother and sister, Barbara Jean and Floyd Allen; her grandparents, Mr. and Mrs. Axel Lindstrom, Ripley, N. Y., Clarence Hanson, Sugar Grove RD 3; also her great-grandparents,

Mr. and Mrs. Joseph Chelton, Corry.

Removal has been made to the Schoonover Funeral Home in Sugar Grove, where friends are being received and from where services in her memory will be held at two o'clock Saturday afternoon. Interment will follow in the Lutheran cemetery at Chancellers Valley.

E. O. STEBBINS

Word was received of the death in Meadville about 1:30 a. m. today, of E. O. Stebbins, former resident of Warren. Mr. Stebbins passed away at the home of his daughter, Mrs. Karl Barker, 457 Randolph street, in Meadville, after an illness of about three years. He was born in Sherman, N. Y., November 9, 1887. Survivors include his wife, Jane H. Stebbins, Mrs. Barker and the following other children: the Rev. L. H. Stebbins, Gallipolis, O.; Mrs. Rae Miller, Erie; Mrs. Ross Logan, Cleveland, O., and Mrs. Iris Hewitt, Meadville. There are six grandchildren. Mr. Stebbins was a resident of Warren from 1907 until 1933 during which time he conducted a contracting carpenter business with a shop located in Third avenue opposite the Library theater building. Services will be held Saturday afternoon at one o'clock at the Fleming Funeral Home, 837 Market street, Meadville. Interment will be in the Ripley, N. Y., cemetery.

WARREN RESIDENTS who are members of the Jamestown Chapter of the National Association of Cost Accountants, are planning to attend the meeting May 16th, at 6:30 the Hotel Jamestown, when Donald P. Sweetser, participating associate of Stevenson, Jordan and Harrison, Inc., management engineers of New York City, will be the speaker. His subject will be "Job Evaluation and Wage Incentives".

SOCIETY ITEMS

PLAYERS REPEAT COMEDY TONIGHT

The opening performance of "Jenny Kissed Me", final Players' Club production of the current season, was well received when a good sized audience gathered last evening in the Woman's Club auditorium.

The play is a comedy which takes place in the manse-home of Father Moynihan and has a cast of 14 characters performing capably under the direction of Helen Morrow.

Repeat performances will be given this evening and on Friday, with curtain at 8:30 o'clock and box office open for seat reservations from 7:00 p. m. until curtain time.

SEVENTH AND EIGHTH GRADE PARTY FRIDAY

The seventh and eighth grade community party will be held at Boaty gym this Friday evening from 7:30 until 10:30 o'clock, with "Apple Blossom Time" used as the theme for the affair, which will be a "record dance".

Karen Chapman and Joan Mancaro will be the co-chairmen for the party and ask that all members of the set-up and decoration committees meet at the school at 3:15 o'clock Friday afternoon.

HOME LEAGUE EVENT

The Salvation Army Home League will present a special Mother's Day program at 7:30 this evening and a cordial invitation is extended to all women interested in the program.

Countless Thousands May Be Made Idle

(From Page One)
severe cuts in production. The Fisher body division of General Motors and the Midland Steel Products Co. in Cleveland started cutting operations and laid off 5,000 employees.

Coal began piling up at the mines in western Pennsylvania. The Pennsylvania serves about a quarter of the mines. Two coal mines near Vincennes, Ind., closed because of a shortage of cars.

The New York Central, Santa Fe and Southern operated trains on the struck lines. But the Pennsylvania did not attempt to run many trains in the struck area, which is west of Harrisburg, Pa.

Times Topics

MILK PRODUCTION

In announcing an all-time record annual production of 5,812 million pounds of milk on Pennsylvania farms for the year 1949, the State Department of Agriculture today said the average annual production of milk per cow had reached a new record of 6,010 pounds, 50 per cent above the average output of 3,900 pounds per cow 30 years ago.

JAMESTOWN MEETING

Warren residents who are members of the Jamestown Chapter of the National Association of Cost Accountants, are planning to attend the meeting May 16th, at 6:30 the Hotel Jamestown, when Donald P. Sweetser, participating associate of Stevenson, Jordan and Harrison, Inc., management engineers of New York City, will be the speaker. His subject will be "Job Evaluation and Wage Incentives".

SOCIAL A SUCCESS

Over 1,600 persons were served at the ice cream social held by the East Street PTA at the school building Wednesday afternoon and evening. The event was in charge of a committee with Mrs. Paul Pittman, of the South Side, as chairman, and Mrs. W. Beyer Africa in charge of the ticket sale. Those in charge take this means of expressing sincere appreciation for cooperation received from PTA members, school officials and patrons to make the event a success.

of time, a slow industrial paralysis may set in. Trucks will supply some of the transportation needs, but they cannot do it all.

Merchants, who were expecting daily shipments to come in by freight and railway express, also will quickly feel the pinch.

In anticipation of the rail strike, many shippers turned to trucks. As a result, trucking firms are overwhelmed with business.

First census in Idaho in 1870, showed a population of 14,999.

KIRBY Sanitation System

KIRBY, the cleaner that Lowell Thomas wrote about.

Four types of cleaners in one. It cleans, dusts, polishes, sprays, fumigates, demoths and, best of all, it is made by a manufacturer that has over forty-one years of experience in making the finer products. The Sani-Emtor empties bag without removing from cleaner. No fuss or muss.

Special Meeting Is Held By Corydon Fire Department

Corydon, May 10—The Corydon Volunteer Fire Department held a special meeting Monday evening in the school building for the purpose of hearing ways and means discussed by Mr. Eastman, head of Eastman Enterprises, of Salamanca, N. Y., on the staging of a carnival in Corydon at a future date, proceeds derived to be on a 50-50 per cent basis.

where in the neighborhood of \$80,000 dollars in equipment, including a merry-go-round, and numerous concessions for which the local fire unit is expected to provide operators totaling at least 30 persons, though no location was immediately available at Monday evening's meet. Definite action was taken however to hold the carnival, when L. J. Learn made a motion to that effect and was seconded by Thomas Kornell, followed by the signing of an agreement by Carl F. Laubach, president of the local fire group and fire chief Roy Adams. During the three hour session numerous questions were asked and answered by Mr. Eastman after which the meeting was brought to a close.

Officers Elected For New 4-H Club At West Hickory

West Hickory, May 10—A 4-H Club has been organized here and the following officers elected: President, Norma Johnson; vice president, Sandra Licaastro; game leader, Nancy Mascaro; song leader, Susan Licaastro, and news reporter, Nancy Johnson. The 17 members of the club include Gail Stoddard, Susan Licaastro, Jane Williams, Beulah Anthony, Nancy Mascaro, Judy Hunter, Beverly Donato, Gladine Redick, Patricia Fitzgerald, Wilma Nuttall, Nancy Johnson, Phyllis Vandervort, Toni Ann Licaastro, Dolores Kinneer, Sandra Licaastro and Norma Johnson. The club meets each Monday evening at 7:30 o'clock at the clubhouse, with ex-leader Pauline Hoke.

The Forest County Homemakers clubs held a roundup at Endeavor hall, West Hickory group, with Mrs. John King as local chairman, attending. They displayed their handiwork, lovely etched aluminum trays and pretty, useful sewing cabinets. Each group furnished their tureen, group displayed, was made under direction of Miss Pauline Hoke, ex-leader.

Mr. and Mrs. Rale Wygant and baby, Oil City, were Sunday callers of Mr. and Mrs. William Taylor.

Mrs. Earl Tempest and children, Mrs. David Shields and children, Marienville, were recent guests at the L. E. Fitzgerald home.

Friends will be glad to hear that the following are home from hospitals and on improved list: John Dudge, Sr., from Warren General Hospital; Mrs. T. R. Maschler, Titusville Hospital; Richard Kuschinski, Oil City Hospital.

Sunday dinner guests at the Call-juli home include Mr. and Mrs. Fred Calijuri and son, Mr. and Mrs. Paul Remington and children, Mr. and Mrs. Monty Chapman and sons, all of Knox.

Mr. and Mrs. David McKinley and sons, of Canfield, O., were Sunday guests of the latter's parents, Mr. and Mrs. Jack Murphy.

Mrs. O. O. Kinnear spent the weekend in Oil City with her sister, Mrs. Fred Gold, and family.

HOT, FIERY GAS
Stomach Like a Furnace
A Warren man said recently that his stomach used to burn like a "gas factory." That is, when he ate a meal it seemed to turn right into hot gas. He was always bloated, had gas pains daily. But now this man says he is FREE of STOMACH GAS and he says the change is due to taking CERTA-VIN. His meals agree with him. CERTA-VIN is a new formula. Taken before meals it works with your food, expels the gas, and thus you get the fullest good out of your meals. It contains Ten Great Herbs, plus vitamin B and iron. Besides relieving gas, it also enriches the blood (with iron) and makes stronger nerves (with vitamin B). Miserable people soon feel better all over. So don't go on suffering! Get CERTA-VIN at your favorite drug store. —adv.

23,000 Boys and Girls From Points Far And Near Will Parade In Washington

Washington, D. C.—A record-breaking 23,000 boys and girls from points near and far will swarm into Washington on May 13 to participate in the 14th annual parade of the School Safety Patrols down historic Constitution Avenue.

Youngsters from 21 states will be represented in the colorful marching event which is sponsored every year by the American Automobile Association to pay homage to the work of the Patrols in protecting fellow students from traffic hazards. The parade in the nation's capital will highlight similar demonstrations and rallies honoring the Patrols in towns and cities throughout the country.

High-stepping bands, dazzling floats and smartly-uniformed drill teams will parade before a reviewing stand packed with high-ranking officials and guests. Prizes will be awarded to the outstanding performers. Viewing the marchers will be such notables as Vice-President Alben W. Barkley, Attorney General Harold McGrath, Treasury Secretary John Snyder, War Secretary Frank Pace, Jr., Senator Owen Brewster, R. of Maine, and others. Lou E. Holland, Kansas City, Missouri, A.A.A. President, will act as reviewing stand host.

Patrol members visiting Washington will come from the following states: Alabama, Connecticut, Delaware, Florida, Georgia, Iowa, Kansas, Maryland, Michigan, Massachusetts, New Jersey, New York, North Carolina, South Carolina,

Ohio, Pennsylvania, Rhode Island, Tennessee, Virginia, West Virginia, and Wisconsin.

One of the outstanding features of this year's parade will be the snappy U. S. Marine unit carrying the flags of all 48 states. As usual, however, the bands are expected to steal the show with their martial music. Between 30 and 40 musical groups are expected to participate, with the U. S. Army Band heading up the parade and the Metropolitan Police Band leading the D. C. delegation. The prancing drum majors and drum majorettes, of which there will be a record number this year, also enjoy top popularity.

The Honor Medal Division, composed of those youngsters who have actually been instrumental in saving a schoolmate's life, will receive top attention from spectators. These boys and girls will receive their medals from Vice-President Barkley at a special ceremony.

A huge banner stretching all the way across Constitution Avenue and carried by a special Patrol unit will honor Charles M. Hayes, President of the Chicago Motor Club, for his pioneer work in promoting the School Safety Patrol. Eighteen drill teams will participate in the parade.

Prizes will be awarded for the best floats, safety slogans, drill teams, the most unusual feature of the parade and the group traveling the farthest to attend. The judges will also decorate the best drum major and majorette. Many of the youngsters will turn their visit to Washington into a sightseeing trip, visiting their Senators and Representatives and viewing the Washington Monu-

ment, White House and other historic sites.

In the 30 years since its inception, the Patrol movement has grown from a small group to over 460,000 members today, serving in six thousand communities throughout the United States. The School Safety Patrol is now a national institution. Its members in the White Sam Browne belts are a familiar sight on the street corners of America. Operation of the patrols is made possible through cooperation of the A.A.A. motor clubs, the schools and law enforcement agencies.

COLE HILL

Cole Hill, May 10—Jay Pees, chief forest fire inspector of Warren, was a visitor of the Cole Hill fire tower with the department's fire truck, Wednesday.

A box social was held at the home of Mr. and Mrs. George Hannah at Torpedo recently with proceeds for benefit of the Torpedo Community church. The church is not a missionary church although the American Sunday School Union conducts Sunday school at 10 o'clock each Sunday morning. The church, since its foundation years ago by the late Henry McConnell, has always been

A Community church with interdenominational sermons by ministers of the protestant faith. Preparations are being made by the superintendent, Frank Sundell, of the Sunday school for preaching services the last Sunday of each month at 2:30 o'clock to have a different minister to conduct church services through the summer months.

Willis Wentworth received word of the death of his uncle, Dan Mourer, Sr., of Youngsville, which occurred Saturday afternoon at two o'clock at the age of 95 years. Mr. Mourer, besides his sons and daughters, is survived by 24 grand children and 53 great-grandchildren.

Mr. and Mrs. Helmer Fornell, accompanied by Mrs. Fornell's mother, Mrs. Parker, and her brother, Claude Parker, and Mrs. Montague, of Jamestown, N. Y., were Sunday visitors of Mr. and Mrs. Willis Wentworth and family. The Fornells had been in Garland, where they helped Dick Dahlstrom celebrate his birthday anniversary Sunday. Others from Jamestown, N. Y., who were visitors at the Dahlstrom home were Mr. and Mrs. Carl Peterson.

Canteen Committee Hears a Report On Progress of Work

Chuck Koebly, temporary president of the Community Youth Canteen committee, presided over the meeting held at the YMCA last evening with 25 persons in attendance.

The session opened with the reading of the minutes of the last meeting, followed by a report written by James Hengst, who was unable to attend. His report stated that the floor had been completed, with the exception of smoothing it down and applying the wax, and that work is ready to be done on other partitions of the building.

It was also brought out that a low bid had been made for lighting fixtures and fluorescent lights for the building. Due to the lack of funds, however, the group decided to hold off with the lighting until the roof is repaired, drains rerouted, the ceiling of the building painted, and toilet fixtures put in.

There was also some discussion on having a rally in the future, a committee to be appointed at a later date.

Because a number of persons were unable to attend last night's meeting and the committee feels it is time for expansion, another meeting will be held next Wednesday at 7:30 at the "Y".

The youth committee meeting will be held next Tuesday, with an invitation extended to all youth in the community interested.

Girl Scout Leaders In Sheffield Hold Interesting Session

Sheffield, May 11—A meeting of the Sheffield Girl Scout Neighborhood Club was held last night at the Friendship House at which time the club decided to give \$5 to each local Girl Scout who wants to attend an established camp session this year at Camp Birdall Edey. The girl must pay her own registration fee.

Plans were made for the final meeting of the current club year to be held at 6:30 p. m. June 14 at the J. M. O'Connor camp, Saybrook, for a dinner-meeting.

The parents of Sheffield Scouts have the project of fixing up the staff house at Camp Birdall Edey and the date of May 21 was set at which time fathers and mothers are asked to bring their own tools for the work. The men will repair the staff house porch and the women will work inside. The group is to meet at the camp at 1 p. m. and picnic lunches are to be brought for the evening meal.

Committee members and leaders of troop 63 served the refreshments at last night's meeting and

troop 12 will serve the dessert at June 14 meeting.

The sixth graders at Lincoln grade school enjoyed a wieners roast and a hayride to Pinecrest camp, Saybrook, last night. Mrs. Paul Johnson is teacher of the sixth grade.

Mrs. Gerry Archibald, Warren, will address a joint meeting of the Barnes Lincoln and Washington grade school Parent-Teachers Associations to be held at 8 p. m. Friday in the American Legion home. She will discuss the Warren county bookmobile.

The Catholic Daughters of America will meet at 6:30 p. m. tonight for a tureen dinner and meeting in Cedarlof hall. Hostesses will be Mrs. Archie Harris, Mrs. Joe Straneva and Mrs. Mike Cashmere.

Boy Scout troop 35 and committee members will hold an organization meeting at 7:30 p. m. tonight in the American Legion home. All boys of the ages of 11, 12 or 13 who are attending or have attended Washington grade school and who are interested in Scouting are requested to be present for this meeting.

Parents are invited also and are urged to attend so that they may become acquainted with the ob-

jects and requirements of the organization.

Word comes from the Kane Community hospital that it will observe National Hospital Day along with other hospitals throughout the United States on Friday, May 12. Between the hours of 2 p. m. and 9 p. m. all departments of the hospital will be open to visitors with guides available to conduct guests on tours and to answer questions.

SPORTS

Sports Boosters Back Hot Stove League Program, Pick Oct. 7 For Annual Home-Coming Game

An enthusiastic meeting of the Warren Sports Boosters was held last night at the YMCA and members present voiced their hearty approval of the work being done to interest the youth of the town in the many baseball leagues being formed; especially the activities of the Hot Stove League.

It was voted to turn over \$100 to the Hot Stove League officials to be used by them to further the buying of equipment for teams in this junior circuit.

It was also agreed to hold the annual Home Coming game next October 7 when the Warren High School team will play host to the Meadville team on War Memorial Field. At this time the Warren High School lettermen and players from the 1950 Varsity football team will be guests of the Sports Boosters and the High School Athletic Association.

Creed Erickson submitted a report pointing out the success of the current membership drive for 1950 members but added that many books of membership tickets were still outstanding. He asked all members of the Sports Boosters who had such books, or receipts for memberships to turn them over to him immediately so that an active file and record of current members may be made up.

President Ray J. Reed presided at last night's meeting and announced the following committee appointments for the year 1950-51.

Membership: Willis Lundahl, chairman; Richard Kifer, John Newmacker and Tom Conway.

Football - basketball: Claude Schindler, chairman; Ruel Smith, Ted Berdine and Robert Schindler.

Baseball: Joe Gardner, chairman; Nick Creola and E. Morrison.

Publicity: D. E. McComas, chairman; Charles Tranter and W. E. Rice.

Home-Coming Game: Louis Carlson, chairman; Richard Schmacker, Don McComas, Ruel Smith and Meyers Kornreich.

Legal Committee: M. A. Kornreich and S. D. Blackman.

President Reed stated that the Football - Basketball committee would have charge of the smoker which will be held Friday night, October 6, prior to the Homecoming game of October 7, while the Homecoming Game Committee will have charge of all plans and arrangements for the game itself.

The members present at the meeting also expressed their approval of an announcement, recently appearing in the Times-Mirror, to the effect that a committee of the Warren Borough Council had made an inspection of War Memorial Field as a preliminary step to determine what work will be done on the field this spring to make it usable for the many baseball games which will be scheduled there this summer.

Dragon Track Squad At Oil City Today

Warren High School's track squad left for Oil City this afternoon for a return meet with Blue and White tiln-clads from down the river.

The Dragons, coached by Harry Hutchings, will be after their fourth straight win of the season, having a 66 to 52 win over Oil City, a 75½ to 42½ win over the Kane Wolves, and a 48-41-37 win in a triangular meet between Warren, Bradford, and Kane respectively.

Both squads have strengthened considerably since their opener on May 2, however, the Oilers were nosed out by a small margin by Titusville in their meet on May 5. The local trackers will meet Titusville on Beatty Field Saturday afternoon.

FIGHTS LAST NIGHT

By The Associated Press
New York (St. Nicholas Arena)—Joe Micelli, 144 1/4, New York, stopped John DeFazio, 143½, Bayonne, N. J. 6.

Sports Editor Will Certify Players For Golf Tourney

Erie, May 11—Bob Moorhead, sports editor of the Warren Times-Mirror, has been designated by Joe Martin, United States Golf Association committeeman, to certify the entry of public links players in the qualifying tournament to be held at the Erie Golf Club Saturday, June 17.

Moorhead will accept the entries of any players of the area who are eligible to play in the one day 36 hole tournament, from which possibly three men will be selected to go to the USGA public links championship in Louisville, Ky., July 1-8.

The entry blanks must be in Martin's hands by Friday night, May 26, to be forwarded to the USGA in New York. The USGA is conducting 46 qualifying sectional tournaments from which 210 men will be chosen for the national.

The tournament is open to any golfer not a member of a private club. This is the first tournament of this nature to be staged in the Erie area under USGA supervision.

Waters at Big Creek Hot Springs, central Idaho, boil constantly at a temperature sufficient to cook meat and vegetables.

SPORTS IN BRIEF

By The Associated Press

Golf
Virginia Beach, Va.—Favored Polly Riley of Fort Worth swept into the quarter-finals of the Women's Southern Golf Association tournament, defeating Mrs. Maurice Glick of Baltimore, 3 and 2.

Monterrey, Mexico—Jimmy Demaret, Ojai, Calif., won the international open golf tournament with a 72-hole score of 284.

Racing
New York—Sama (\$59.50) beat the 1 to 4 favorite, next move, to capture Belmont Park's \$15,000 added Acorn stakes.

Camden, N. J.—Spartan Valor (\$3) won the New Jersey stallion stakes by six lengths at Garden State Park.

Baltimore—Raise You (\$9.40) won the Challeon purse by two lengths at Pimlico.

General
El Ocotil, Mexico—Hershel McGriff of Portland, Ore., won the six-day, 2,150-mile Mexican race for stock cars.

MOTHER'S DAY

MAY 14th

METZGER-WRIGHT'S

You can count on

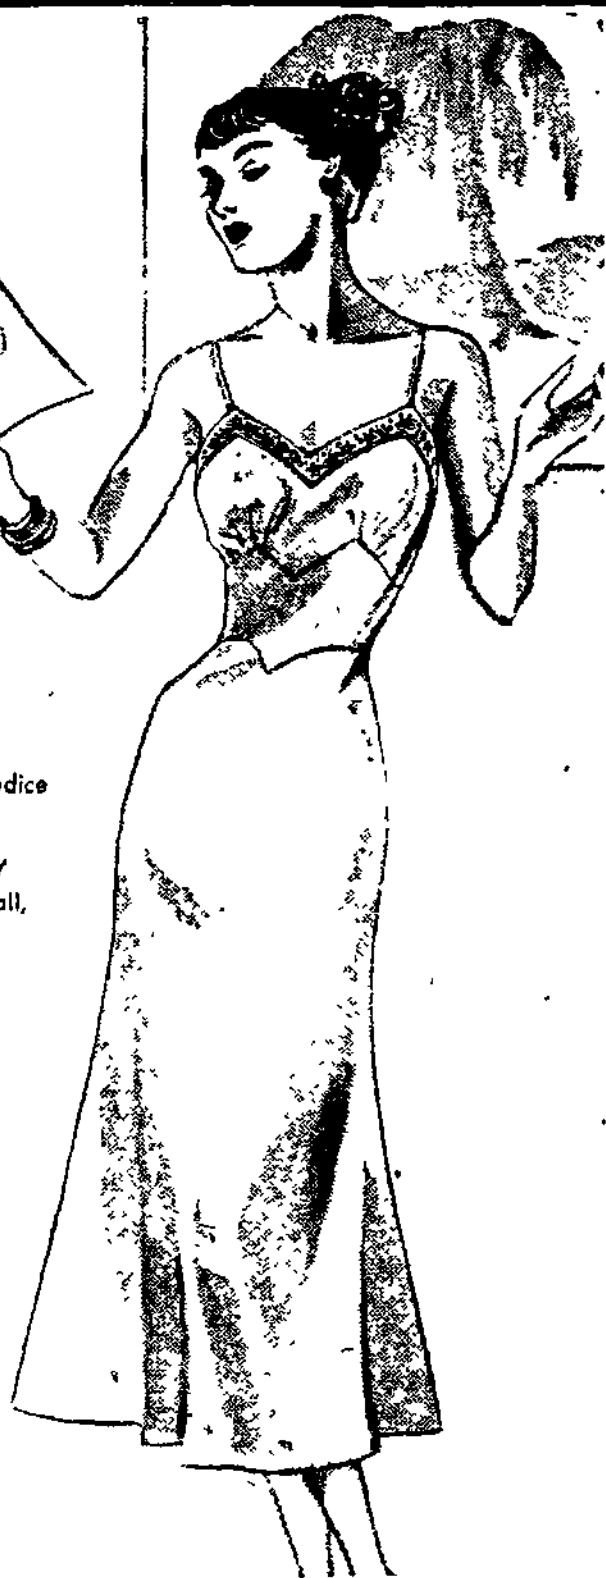

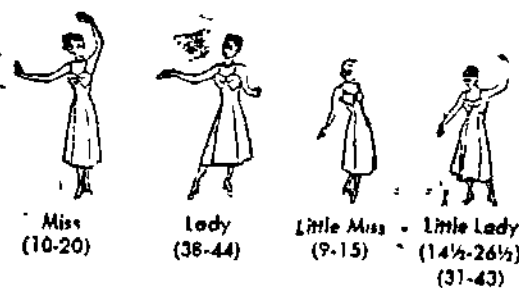

Barbizon's

Jaunty Fit

every day
of the year

Perfect with everything from business suits to bewitching sheers. The smooth soft bodice molds to your bust, the bias midriff tapers to your waist, the wonderfully free and easy skirt takes everything in its stride. Best of all, it's topped with all-nylon net which never loses its shape and wears forever. In rayon crepe, choose Petal Pink, White or Black.

298

Printed Sheer Loveliness To Make Mother Happy

Why don't you buy Mother a new dress? You know she would love one... especially one of these sheer dresses in either one of these two styles or choose from many others. Right is a small geometric print in a two-piece style on light background. Left is a one-piece with a flattering neckline, self belt, short sleeves and a full skirt. A thoughtful gift for Mother.

14⁹⁵

A Nan Bentley Summer Suit Mother's Love

13⁹⁵

Remember how Mother wished all last year she had a Summer suit? Buy her one for her gift... a wonderfully tailored Nan Bentley in a tailored or dressmaker style. Sizes in misses, junior and 1/2 sizes in pastel shades and navy.

She Likes Pretty Cotton Housecoats

798

It's of lovely frosted seersucker with lace trimming the neckline, sleeves, and pockets. Wrap-around style which makes it easier to put on.

In the Brunch Coat length **5.98**

Of Course You'll Tuck In Handkerchiefs

25c to \$1

In each of your Gifts to Mother, you'll want to tuck in a dainty Handkerchief such as these.

Chinese hand embroidered Handkerchief of all linen, every bit done by hand. **\$1**

Delightful printed Handkerchiefs with floral or small designs in every conceivable color combination. **25c**

Wide lace edges these Handkerchiefs so beautiful Mother will love them to peep from her pocket or handbag. **59c**

Around and around the flowers go on these circle Handkerchiefs that will be just that little bit "different" gift for Mother. Made of Swiss Linen they are exquisite in the finest details. **89c**

Pearls For Mother

Either separately or in Pearls are such a perfect gift for Mother. Choose the necklace in either regular or choker. Bracelets and earrings match.

Priced from \$

Mother Always Wears Gloves

Wherever she goes, you will find Mother likes to wear gloves. She will like whichever you choose for her, a pair of double woven cotton or a pair of sheer Nylons in white and colors.

Nylon **1.65**
Cotton **\$2**

Handbags Nice and Roomy for Mother

298-49

Choose from our Summer collection straws or genuine leather... but do choose roomy ones like Mother prefers. Natural black, navy, red, or leathers.

THE PERFECT MOTHER'S DAY GIFT

her family at her side... and at her feet...
Daniel Green's

Buy the Best For Mother

METZGER-WRIGHT'S

Shoe Department 3rd Floor

Sheer Organdy Makes This Long Sleeved Blouse

595

Mother likes beautiful blouses. Give her this one in white dressy, yet tailored organdy.

Let Mother Choose a Hat For Her Gift

398

Mother is proud of her ability to choose just the right hat... and so bring Mother in and let her choose her own from our large collection of beautiful straws in light shades, black and navy.

Mother Likes Sheer 60 Gauge NYLONS

135

Mother likes sheer Nylons just like you do... and she certainly will be pleased with these high twist Nylons that have a duller finish and the new dark seems that give the legs that slender, long look.
